1.0 Tender Introduction

The Town of Blackfalds is seeking the provision of a Fire Command light truck unit to be deployed for service within the urban operations of the Town of Blackfalds. Formal tender bids will be considered for the supply of this light truck unit from dealerships in and around Central Alberta.

2.0 General Information

2.1 Submission of Tender Package

Two (2) physical copies of the tender package, including completed specifications table, completed bid sheet, along with other items identified for the Bidder's information package, shall be submitted in a sealed envelope addressed to:

Town of Blackfalds
Box 220, 5018 Waghorn Street
Blackfalds, Alberta T0M 0J0
Attention: – Director of Emergency Services and Protective Services

Envelope shall be clearly labeled as follows:

Tender Bid Package:
“Town of Blackfalds- Fire Command Unit”

Bidders are expected to carefully examine all information and satisfy the conditions of the tender requirements. This is a sealed tender bid process and any tender bid package transmitted by facsimile or email will not be considered.

2.2 Tender Closing Date

Tender packages from qualified Bidders will be received up to and including closing time of 4:00 pm, local time, Friday, March 6th, 2026. Tender packages received after the specified closing time will be rejected and returned unopened. Tender packages will be publicly opened immediately following the date and time specified for tender close followed by a review and evaluations of the submissions.

Bids must be received at the location set out above on or before the Submission Deadline. Onus and responsibility rest solely with the bidder to deliver its bid to the exact location indicated within the time frame identified. The Town does not accept any responsibility for submissions delivered to any other location by the bidder or its delivery agents. Bidders are advised to make submissions well before the deadline. Bidders making submissions near the deadline do so at their own risk.

2.3 Tender Process Clarification / Inquiries

If a Bidder has any question about the contents of the tender package, tender process, or about any matters relating to clarification, errors or omissions of the tender package they are to direct these enquiries in writing to the Town of Blackfalds representative who is Ken Morrison, Director of Emergency Management and Protective Services at kmorrison@blackfalds.ca. The Town of Blackfalds representative will respond to all questions and any changes within the tender package resulting from enquiries will be made via an addendum, which will be posted to the Town of

Blackfalds website: www.blackfalds.ca and on Alberta Purchasing Connection website: www.purchasingconnection.ca.

All inquiries relating to technical specifications and to this tender call must be made no later than 4:00 pm local time February 27th, 2026. Tender Evaluation Criteria has been put in place with details included in this tender document. further explained in a later section. Selected administrative personnel will evaluate the bid submissions based on the criteria tables.

2.4 Discrepancies or Omissions

Bidders finding discrepancies or omissions in the tender document, or having any doubts to the meaning or intent of any part thereof, should immediately notify the Town's Representative in writing, who may send written instructions or explanations to all Bidders on record with the Town. No responsibility will be accepted for oral instructions. Addenda or correspondence issued during the tender period shall be considered part of this document and become part of the final Contract Documents.

2.5 Interpretation/Definitions

- a. "Best Value" means the value placed upon quality, service, past performance and price.
- b. "Bid" means the tendered amount submitted by the bidder for the supply of the units as specified.
- c. "Bidder" means a party submitting a tender bid in response to this tender call.
- d. "Chief Administrative Officer" means the administrative head of the Town of Blackfalds.
- e. "Municipality" means the Town of Blackfalds.
- g. "Municipal Representative" means the Director of Emergency Services and Protective Services whom has been charged with oversight of the capital purchase.
- h. "Must," "mandatory" or "required" means a requirement that must be met in order for a tender to receive consideration.
- i. "Should" or "desirable" means a requirement having a significant degree of importance to the objectives of the Tender call.
- j. "Special Conditions" means any special conditions which may be included in the tender call.
- k. "Specifications" means the specifications contained within Schedules "**B**" and "**C**" as included in the tender package.
- l. "Tender" shall mean the Bidder's submission to the tender call.
- m. "Tender Evaluation Criteria" means those specific criteria or provisions identified as part of the tender process to which points will be assigned to score and determine best value for the Municipality.
- o. "Unit" means the light truck vehicle as specified for purchase in this tender call.

2.6 Further Terms & Conditions

In carrying out its obligations hereunder, the Bidder shall familiarize themselves and comply with all applicable laws, regulations, ordinances, codes, specifications and requirements of all regulatory authorities, and shall obtain all necessary licenses, permits and registrations as may be required by law. Where there are two or more laws, ordinances, rules, regulations or codes

applicable to the Work, the more restrictive shall apply.

The following terms shall also be considered relative to this tender call:

- a. This tender process should not be construed as a contract to purchase goods or services or to enter into any other contractual arrangement.
- b. The Town will not be obligated in any manner to any Bidder whatsoever relating to any approved tender bid.
- c. The Town will not be obliged to accept any tender bid for this unit included in this tender call, from any specific bidder.
- d. The Town reserves the right to proceed with the purchase of any unit(s) from bids received, subject to budget approval.

2.7 Amendment of Tender Bids before Submission Date

A Bidder is entitled to amend its bid at any time prior to the tender closing date and time **of 4:00 pm, local time, Friday, March 6th, 2026.**

3.0 Content of Tender Bid Package

One (1) Original and two (2) copies of the Tender Bid Package will be provided in the following order:

3.1 Covering Letter

A covering letter signed by an authorized representative of the company shall be provided, outlining the intent of the response and stating that the information contained in the response accurately describes the provision of units to be provided through this tender call. The response must also guarantee that all quoted prices (in Canadian dollars) will be honored for the specified period from the submission date, as indicated in Schedule "A" Tender Bid Sheets.

3.2 Schedule "A" - Tender Bid Sheet (New Build or In Stock)

Bidders have the option to provide pricing on existing stock that meet specifications or stock that would be required to be ordered. The Town may also consider new 2024 models or newer units that may not meet specifications as listed. Consideration will be provided based on a number of factors including cost. The Town reserves the right to consider any option available as provided by bidders.

3.3 Schedule "B" - Equipment Specifications – Fire Command Unit

Tables provided in Schedule "B" for One (1) Fire Command Unit for Fire Services applications must be completed in entirety. Bidders may add additional sheets to the document should space provided in specification variation/deviation column be insufficient.

3.4 Schedule "C" - Warranty

Tables provided in Schedule "C" must be completed in entirety. Bidders may add additional information to this sheet if required prior to submission.

3.5 Schedule “D” – Tender Evaluation Form

This Schedule indicates weighting given to the ranking criteria and will be completed for each received bid. This schedule is provided to Bidders as information only and is not to be completed and included in the bid package submitted.

4.0 Terms and Conditions of Payment

- a) Payment in full for the unit(s) will be made at time of delivery to the Town of Blackfalds.
- b) Any variance in payment requirements required by the bidder must be identified in bid submission.

Negotiations may be considered on terms of payment and would take place though final purchase negotiations. All payments will be made within 30 days following receipt of invoice.

5.0 Confidentiality

The Town will endeavor to keep all tender bids confidential and all processes in this tender call will meet the requirements under the Freedom of Information and Protection of Privacy Act.

6.0 Agreement with Terms

By submitting a tender bid, the Bidder agrees to all the terms and conditions of this tender call. Bidders who have obtained the tender document electronically must not alter any portion of the document, with the exception of adding the information requested. To do so will invalidate the bid.

7.0 Tender Evaluation

Tender bids will be evaluated through the Tender Evaluation Form as indicated in Schedule “D”. The evaluation is based on a points system based on the documents submitted with this tender. Failure to submit requested documents may result in tender being rejected or reduced points being assigned. Evaluation of points being received in each section is at the discretion of the Town of Blackfalds. Schedule “D” is not to be included as content of the Bidders tender package submission.

8.0 Special Conditions

- 8.1** The Successful Bidder shall guarantee that any or all items supplied shall be correct. If the item(s) supplied by the successful bidder are in any way incorrect or unsuitable, all correction costs shall be borne solely by the Bidder.
- 8.2** All prices submitted on the Bid Sheet shall include delivery to the Town, and the bidder shall bear all risks of loss and/or damage in the transportation and delivery process.
- 8.3** The Town reserves the right in its sole discretion to accept or reject all or any individual unit as provided in the tender call.
