
1. **WELCOME AND CALL TO ORDER**

2. **LAND ACKNOWLEDGEMENT**

2.1 In the spirit of Truth and Reconciliation, the Town of Blackfalds acknowledges that we are on Treaty 6 territory, the ancestral lands of Cree, Saulteaux (So-toe), Blackfoot, Métis, Dene (De-nay) and Nakota Sioux (Sue). We acknowledge all the many First Nations, Métis, Inuit, and non-status peoples whose footsteps have marked these lands since time immemorial.

We recognize the inherent relationships Indigenous communities have with this land and its creatures and commit to supporting reconciliation and healing. We honour the resilience, culture, and contributions of Indigenous peoples, past and present.

As we gather, we pledge to listen, learn, and take meaningful action toward a future based on mutual respect and understanding as we continue on our journey of truth and healing. We recognize that reconciliation is not a single act but a lifelong journey—one that requires accountability, humility, and the centering of Indigenous voices.

Protective Services Monthly Report

Summary

Throughout September, Municipal Enforcement continued to provide proactive enforcement, community support, and traffic safety initiatives within the Town of Blackfalds. Officers responded to calls for service, conducted traffic enforcement, processed commercial vehicle permits, monitored vehicle speeds, and maintained a visible presence in areas frequented by students and residents.

Calls for Service

- **73** calls received through the 24/7 assistance line
- **4** online reports submitted
- **88** files created

These figures reflect the ongoing demand for Municipal Enforcement services and the continued commitment to addressing community concerns in a timely and professional manner.

Traffic Enforcement

Municipal Enforcement officers remained focused on traffic safety through proactive patrols, targeted enforcement, and education initiatives.

Enforcement Statistics

- **106** *Traffic Safety Act* violation tickets issued
- **44** warnings issued

Officers targeted speeding, distracted driving, and other high-risk driving behaviours that impact the safety of motorists, pedestrians, and school-aged children.

Passing School Bus Violations

During September, officers investigated multiple reports of motorists unlawfully passing stopped school buses displaying flashing red warning lamps. Violations were substantiated and enforcement action was taken against the registered owners of the involved vehicles as authorized under provincial legislation.

The safety of students remains a top priority, and Municipal Enforcement will continue educational and enforcement efforts to reduce dangerous driving behaviours around school transportation.

School Area and Student Safety Initiatives

Municipal Enforcement continued conducting regular patrols and monitoring businesses and commercial areas frequented by students during lunch breaks.

Officers maintained a visible presence around schools and nearby businesses to promote positive interactions and address concerns involving student conduct and public safety. During these patrols, officers encountered and addressed:

- Vaping-related concerns involving students
- Speeding violations in school and high pedestrian traffic areas
- Distracted driving offences
- General traffic safety concerns around schools and businesses

These proactive initiatives support a safe environment for students, staff, business owners, and the public while encouraging compliance with municipal bylaws and provincial legislation.

Commercial Vehicle Permits

- **125 TRAVIS** permits issued

Permit processing remained an important function throughout the month, supporting commercial transportation activities while ensuring compliance with applicable regulations.

Traffic Count & Speed Monitoring

Traffic counting and speed-monitoring equipment were deployed throughout the community to identify trends and support future enforcement initiatives.

East Railway Street South

Posted Speed: 30 km/h (7:30 a.m. to 1 hour after sunset), 40 km/h at other times

- Vehicle Count: **8,699**
- Average Speed: **41 km/h**

Average speeds indicate motorists continue to travel above the posted school-zone speed limit during restricted hours.

Park Street West

Posted Speed: 40 km/h

- Vehicle Count: **26,831**
- Average Speed: **43 km/h**

Average speeds were slightly above the posted limit, supporting the need for continued education and enforcement.

Cottonwood Drive West

Posted Speed: 50 km/h

- Vehicle Count: **68,436**
- Average Speed: **54 km/h**

This location recorded the highest traffic volume during the reporting period. Average vehicle speeds exceeded the posted speed limit, making it a continued enforcement priority.

Vista Trail South

Posted Speed: 50 km/h

- Vehicle Count: **51,339**
- Average Speed: **47 km/h**

Average vehicle speeds remained below the posted speed limit, indicating good compliance by motorists.

Monthly Totals

Conclusion

September was a productive month for Blackfalds Municipal Enforcement. Officers responded to **73 calls for service**, created **88 files**, issued **106 Traffic Safety Act violation tickets**, provided **44 warnings**, and processed **125 TRAVIS permits**. In addition to regular enforcement activities, officers addressed school bus violations, conducted ongoing patrols around schools and local businesses during student lunch periods, and focused enforcement efforts on speeding, distracted driving, and vaping-related concerns.

Municipal Enforcement remains committed to maintaining public safety through proactive enforcement, education, community engagement, and a visible presence throughout the Town of Blackfalds.

Blackfalds Fire Rescue

September 2026 Monthly Activity Summary Report

Our Wednesday training sessions were focused on pump operations operating on a water source from a fire hydrant. Each pump operator also went through competency testing. Our three new recruits continue to hone their skills as they work through their probationary period.

We took part in the Community Information Fair and the Duck Drop this month.

We are still waiting on the delivery of the new Command unit from GM.

There have been 11 Fire Safety Plans reviewed, 3 Fire Inspections for new businesses completed.

During September, the department responded to 13 incidents, bringing the year-to-date total to 189 incidents, which is on pace with this time last year.

Of the 189 incidents, 20% occurred during regular business hours, Monday through Friday, while 80% occurred after regular hours, Monday through Sunday.

A summary of the incident types for September 2026 is included.

Emergency Management

- Completed Protective Services Operational budget review for 2027 with manager presenting to CAO.
- LREMP ERP final review was completed with the contractor, municipal information to be added for each community by the respective communities.
- TimCon began preparation of the site for the Emergency Generator, concrete was poured and pad is in place. Generator delivery date is unknown currently due to supplier having a high demand.
- An LREMP Special Agency meeting was held to discuss the Agreement, as there were some changes requested, although relatively minor, it will need to go back to the LREMP Committee for their approval, prior to moving forward for signing. It was decided the Signing ceremony would be rescheduled from the 29th of September to early 2027.
- Policing Committee meeting was held; there was much discussion about various agenda items. Two items of concern were the Womacks and 2A intersection and E-scooters.
- LCMAO Meeting was held on the 17th of September, the Tabletop exercise will be postponed to Dec 1st, due to industry partners current workload.

MEETING DATE: October 13, 2026

PREPARED BY: Jolene Tejkl, Planning & Development Manager

SUBJECT: **Development & Building Report – September 2026**

BACKGROUND

Attached are the September 2026 Development & Building Permit Report and Comparison for 2024-2026 year to date for Council's information.

DISCUSSION

Every month, the Planning & Development Department reports back on the number of Development Permits and Building Permits received in the previous month. A comparison report showing the permit numbers over the past two (2) years is also provided for information. The number of permits received in a month are outside of the Department's control as they are entirely applicant based.

For the most part the categories are self-explanatory, however the "other" category captures the following types of residential permits:

- Sheds,
- Garages & decks. On occasion both a garage and deck will be applied for under the same development permit and when that happens, it will be captured as "other"),
- Hot tubs,
- Ensuite addition to Master Bedrooms. This type of development is not appropriate to capture under "addition" because it does not entail a structural alteration as it's changing the interior of the home,
- Shed & deck. Occasionally these two developments will be applied for under the same development permit. When that happens, it will fall under "other", and
- Grading permits

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

- **Economic Vitality and Community Prosperity Alignment:** Providing monthly permit reports is a direct indicator of investment that is flowing into Blackfalds. Monthly tracking shows whether attraction efforts are converting into real development activity.
- **Community Life, Safety, and Inclusion Alignment:** Requiring permits for development that occurs within the Town ensures development meets Safety Code requirements and the requirements of the Town's Land Use Bylaw.

- Leadership, Engagement, and Advocacy Alignment: Transparent monthly permit reporting supports the Plan's emphasis on meaningful two-way communication on development that is occurring within the Town. Monthly permit values can also strengthen the Town's case when advocating provincial and federal governments for sustainable infrastructure funding by showing growth pressure with real numbers.
- Sustainable Services and Infrastructure Alignment: Monthly permit data directly informs whether infrastructure investment is keeping pace with growth. Capital projects such as lift stations, water reservoir expansions and Servicing Master Plans all depend on understanding development patterns.

FINANCIAL IMPLICATIONS

None.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

These monthly reports are uploaded to the Town's website for public view, as such the communication is informational.

BUSINESS

Minutes

Member at Large Visscher moved That the Recreation, Culture and Parks Board approve the Minutes from March 4, 2026 as presented.

CARRIED UNANIMOUSLY

Community Initiatives Grant – Blackfalds Agricultural Society

The Recreation, Culture and Parks Board discussed the application and determined that more detailed information is required about the grant they received, the total cost of the event and what they are considering for catering/food expenses. The grant application would then be reviewed at the next meeting in September.

Member at Large Rellis moved That the Recreation, Culture and Parks Board recommend to request more information about their event and review the application at the next meeting in September.

CARRIED UNANIMOUSLY

Community Initiatives Grant – Heart of Blackfalds Society

Two representatives from the Heart of Blackfalds Society provided a Community Initiatives Grant application requesting \$2,500 towards offsetting costs to host the Blackfalds Block Party including the rental of a dunk tank, door prizes, candy, games and porta potty rentals.

MINUTES

Councillor Hanson moved That the Recreation, Culture and Parks Board recommend to Council to provide grant funding of \$1,250 to the Heart of Blackfalds Society from the Community Initiatives Grant for their event.

CARRIED UNANIMOUSLY

Community Initiatives Grant – Bookman of Blackfalds

A representative from the Bookman of Blackfalds provided a Community Initiatives Grant application requesting \$2,500 towards offsetting costs for a sound system, equipment, lighting, local bands/artists, advertising and volunteer supplies.

Member at Large Visscher moved That the Recreation, Culture and Parks Board recommend that Administration request more detail related to the expenses of this event for a future application.

Proposed Disc Golf Course Layout

Coordinator Jensen met with the Optimist Club and put together a proposed layout for the disc golf course at McKay Ranch. The layout includes 5 holes and would expand to 9 holes as the McKay Ranch area develops the park space. The targets can be easily moved if there are any concerns with the layout. The layout will be presented to Council at an upcoming meeting.

CARRIED UNANIMOUSLY

Recreation Rate Review

Administration is working on updating recreation rates for review and requested the RCP Board to

MINUTES

provide preliminary feedback on our rates. The RCP Board discussed the rates and were generally in favour of a moderate increase to rates. Suggestions also included removing the tournament rate. Ball diamond and soccer pitch rates are lower than comparators. The Abbey Centre membership and admission rates would see a modest increase. New rates will be provided to the RCP Board at the September meeting based and request further feedback from the RCP Board before taking the rates to Council.

Meeting Extension

Member at Large Haraldson moved That the Recreation, Culture and Parks Board extend the meeting time to 10:00 pm.

CARRIED UNANIMOUSLY

Town of Blackfalds Library Board
Board Meeting Agenda

DATE: August 4, 2026

Attendees: Marina Appel, Aaron Hoyte, Brenda Dennis, Glyn Evans,
Richard Poole, Ray Olfert, Starr Sinclair, Nicole Rice, Glenda Brown

Land Acknowledgment

In the spirit of Truth and Reconciliation, the Town of Blackfalds acknowledges that we are on Treaty 6 territory, the ancestral lands of Cree, Saulteaux (So-toe), Blackfoot, Métis, Dene (De-nay) and Nakota Sioux (Sue). We acknowledge all the many First Nations, Métis, Inuit, and non-status peoples whose footsteps have marked these lands since time immemorial.

We recognize the inherent relationships Indigenous communities have with this land and its creatures and commit to supporting reconciliation and healing. We honour the resilience, culture, and contributions of Indigenous peoples, past and present.

As we gather, we pledge to listen, learn, and take meaningful action toward a future based on mutual respect and understanding as we continue on our journey of truth and healing. We recognize that reconciliation is not a single act but a lifelong journey—one that requires accountability, humility, and the centering of Indigenous voices.

Motion A45-26 Aaron Hoyte moved to accept the Programs Policy. C.U.

New Library Regulations: The Government of Alberta has released their regulations governing the content restrictions in libraries. The library administrator recommends that the library board take the least harmful approach to implementing new policies while still maintaining compliance. This approach would mean removing books with graphic sexual images that contain direct images of the body parts/ manipulation of the body parts mentioned in the regulations. Further, the Administrator would advocate for a restrained approach to policies regarding youth computer usage and the removal of videos/video games from the shelves. Any dvd or videogame that contains graphic sexual images can be labelled as 16+ without being removed from the shelves as those images cannot be readily accessed by children. By taking a cautious, slow, and compliant approach, the library board can ensure that patrons are not unnecessarily affected by the regulations, and that the government can utilize library inspectors to provide further clarity (in writing) if library compliance is questioned.

2. The Development Permit shall be valid for the address identified in the permit.

Development Conditions

3. The proposed development shall be undertaken and completed in accordance with the approved plans.
4. A home based business 3 shall have a time limit of 3 years. Upon expiry of the original Development Permit, the Development Authority may consider granting approval with no time limit if the home based business 3 meets the regulations of the Land Use Bylaw.

Ongoing Conditions

5. The business shall not operate without a valid Development Permit or Business License issued by the Town.
6. No physical change to the exterior appearance of the dwelling shall be allowed as a result of the establishment of the home based business.

MINUTES

7. Any change in use or intensification of the use of the home based business shall require review of the current Development Permit and may require separate permit approval.

NOTES

1. *This permit indicates that only the development to which it relates is authorized, with the provisions of the Land Use Bylaw and in no way relieves or excuses the applicant from complying with the Land Use Bylaw or any other Bylaw, orders, policies, easements, covenants, conservation agreements, development agreements, provincial or federal statutes or regulations affecting such development.*
2. *Nothing in this permit or the Land Use Bylaw exempts a person to obtain a development permit as required by the Land Use Bylaw or to obtain any other permit, license or other authorization required by the Land Use Bylaw or any other Bylaw.*
3. *The Development Authority may, in accordance with the Land Use Bylaw in force and Part 17 of the Municipal Government Act (MGA), take such actions as necessary to ensure that the provisions are complied with.*
4. *If applicable, prior to issuance of a Business License the applicant shall provide sufficient evidence approving the proposed use from Alberta Health Services (AHS) satisfactory to the Development Authority.*

CARRIED UNANIMOUSLY**3.4 Proposed Land Use Bylaw Amendment to Residential Accessory Buildings and Driveways**

Member Kirk introduced a potential Land Use Bylaw amendment to remove the current 1 m or 6 m setback requirements for Accessory Buildings when an Accessory Building will be accessed by a driveway. The Commission discussed how this current requirement is redundant and that many applications the Commission considers are variance requests due to this regulation.

After some discussion, the following motion was put forward:

19/26

Moved by Member Kirk That the Municipal Planning Commission recommend to Council that Council consider amendments to the Land Use Bylaw No. 1268.22 as follows:

1. Section 4.1.2(c)(i) be amended by deleting the phrase: *"except buildings having vehicle access, which are regulated by Section 3.20."*
2. Section 3.20.6(a)(i)(ii) be deleted.
3. Section 3.20.6(b) be amended by deleting the phrase: *"Where no access by way of the Lane is provided to a Building, the Driveway."*, and replacing it with: *"Driveways shall meet the minimum requirements for a parking stall as listed in this section."*

3.1 Licencing Costs for Microsoft

Sheppard reviewed. Since 2011, Parkland has maintained an agreement with Microsoft for the licensing of various software throughout the region. Over the past 15 years, this agreement has been renewed every three years on July 1st. This year, on June 25, 2026, we were informed that Parkland no longer qualifies under the existing agreement and that we must move toward a new agreement with different terms.

The renewal cost that had been quoted was \$196,000 a year to maintain the existing software, which is four times what we are currently paying (approximately \$52,000 per year). These new licensing fees are unsustainable. As a result, Parkland had no choice but to make the following changes throughout the region:

- All Windows desktops and laptops have been downgraded from Windows 11 Enterprise edition to Windows 11 Professional edition. This change did not impact how libraries use Windows.
- Microsoft Office was removed from all public-use computers and LibreOffice, a free suite of programs, has been installed in its place. Attached is a short comparison document on LibreOffice vs. Microsoft Office.
- Microsoft Office 2021/2024 LTSC was removed from all staff computers and replaced with Microsoft Office 365 desktop apps.
- A new Microsoft 365 subscription agreement has been signed.

Much of this situation has been out of Parkland's control. While there has not been any service disruption, the change in Parkland's long-standing Microsoft agreement highlights yet again how software and licensing costs, for what are now considered basic services, are becoming a burden which is increasingly difficult to sustain. With our new agreement, Parkland's licensing fee will exceed \$58,800 despite the reduction of licences.

3.2 2027 Budget Restructure – Reserves and Capital Spending

Schellenberg gave a presentation regarding Parkland's reserves and plans for capital purchases. Parkland has been working together with our auditors, MNP, to put forward a new structure for Reserves and Capital Spending.

A high-level overview of Parkland's financial state, as shown in the auditor reports, shows a concerning drop in cashflow, and a continued drop in equity. Currently, the only way to replenish Parkland's reserves is through budgeting surpluses. However, surpluses have been diminishing over the last few years.

After reviewing the situation with MNP, they have put forward a revised structure, which was presented at the Executive Committee meeting in June. How to manage reserves and capital spending contributed heavily to the budget scenarios which were subsequently presented to the Executive Committee and the board.

If nothing is done, and Parkland doesn't do some preventative maintenance, then the situation will become much more serious. But remember that we are always within our budget in providing services and would post a surplus if we did not have to account for the depreciation of capital purchases. In the past, Parkland has not had the ability to include capital expenditures in the budget, except in the budget supplement which permitted staff to pull the required funds from reserves. This is the part that is not sustainable – Parkland cannot be expected to fund the capital purchases we require to provide the necessary services (like van runs) simply by using surpluses achieved in previous years. The situation, if it is allowed to continue indefinitely, would be dire; staff want the board to be aware of the potential problem and address it before it becomes catastrophic.

As presented at the board meeting a 3-pronged approach will correct our course of direction - a realigning of the actual reserves that are held within the bonds, the ability to create a separate reserve that is accessible and not in Bond form as well as \$1.01 increase in the budget to allow us to save for expected capital purchases. We believe that the increase is fairly modest given the information of what it will actually achieve, and if we continue in our constant quest to be looking at all our procedures and evaluate efficiencies, we will continue to be able to provide outstanding service in the face of ever-increasing costs.

Policy changes regarding revised reserve structure will be brought to the Executive Committee in October for review and for the board's decision in November.

Motion by Cory Twerdoclib to accept the PD Session for information.

3.3 Parkland Website Project

Newland reviewed progress on Parkland's website project. Sitecore is the software platform Parkland's website is based on. This year, we received a new agreement with a significant increase to our licensing fee. Last year Parkland's licensing fee was \$32,986.80. The invoice for this year was \$87,998.65 excluding tax.

Tim Spark, Parkland's Manager of Technology Infrastructure, negotiated the cost down to \$37,753.39; however, due to Sitecore's 5% planned increase per year, compounded, Parkland is currently exploring different website platforms.

In search of a new website, a team led by Deputy Director Andrea Newland corresponded with Clarivate, the company that owns Polaris, our integrated library system. Clarivate is library-focused and staff were optimistic they could provide a platform suitable for our needs. We were disappointed to learn that Clarivate didn't even take the time to look at our current website or seem open to negotiating with us with pricing. Due to our financial limitations, they ended conversations abruptly.

Looking for other options, the website team entered discussions with Tapp Network and their partner TechSoup. They prepared a full presentation addressing all the specifications we need for a new website. They recommended a WordPress site as the most affordable option for our needs. However, their quote ran from a minimum of \$242,700 to \$316,200 for implementation depending on features.

The website team has also made inquiries with another Wordpress developer/hosting company called EasyDNS. Parkland currently purchases a number of other licences through them. Staff are hoping for a more affordable option.

With quoted one-time development/build costs ranging from \$65,243 – \$316,000 and annual hosting/security and maintenance costs ranging from \$48,793 to \$51,300, Parkland is wondering if we should consider other options:

- Would it not be more cost effective to hire someone at Parkland in the IT department to manually build new websites for the member libraries currently using a Sitecore website? A yearly salary would be more affordable than the prices quoted by external developers.
- Should Parkland consider no longer providing websites to member libraries? As per the Membership Agreement, we are required to offer a website for Parkland Regional Library System only, not the other 49 locations.

Regardless of preferences of Parkland's member libraries, maintaining websites for our libraries is becoming increasingly unsustainable.

After some discussion, the board decided to wait until after Parkland has the chance to discuss the issue with member libraries to get an idea of their priorities, and will revisit the issue at the November board meeting.

Motion by Kathy Hall to receive for information.

3.4 On Reserve, On Settlement Grant

Sheppard reviewed. Since 2016, Parkland has received an On Reserve, On Settlement (OROS) grant to provide library service to the six First Nations reserves within the Parkland area. The reserves are, Ermineskin Cree Nation, Samson Cree Nation, Sunchild First Nation, O'Chiese First Nation, Montana First Nation, and the Louis Bull Tribe.

The grant is comprised of a system operating grant calculated at \$4.75 per capita multiplied by the number of reserve residents, plus a library service grant calculated at \$5.60 per capita. While out of date, the GOA has not changed the per capita grant rate in a number of years and continues to use 2019 population statistics when issuing grants.

In the spring, Parkland was informed that we will not be receiving the full library services portion of the OROS grant for the GOA's 2026-2027 fiscal year. The staff at the Public Library Services Branch (PLSB) with Municipal Affairs, who administers the grant, believe they may be in a position to form a library board to serve the four reserves that surround the hamlet of Maskwacis. The PLSB will withhold part of the library services grant for the purpose of giving it to the new library board. Parkland will continue to receive the \$4.75 per capita system operating grant to cover Parkland's costs but only the library services grant for the Sunchild and O'Chiese reserves.

At this point, there is no impact on Parkland's budget since the library services portion of the grant is an in/out for Parkland and is used to run the library service at Maskwacis. However, this shortfall of funds in 2026 means there is no income to offset the expenses for running the service at Maskwacis. The only way Parkland will be able to keep the service operating is through the use of reserve OROS funds which accumulated over the period when public libraries were closed during COVID. This funding will sustain operations for approximately one year. It was inferred that if operating funds were necessary to provide library services at Maskwacis, Parkland should use the system portion of the grant which covers Parkland's expenses. Should this become necessary, it means system services would be provided for free.

PLSB staff mentioned if they were unsuccessful in forming a library board, they would reconsider their position on withholding part of the OROS grant. To date Parkland staff have not been informed either of the formation of a library board nor have the additional operations grant funds been provided to Parkland.

3.6 PRLS 2027 Budget Scenarios

Sheppard reviewed Parkland's three budget scenarios. In the first budget, the 2027 requisition was maintained at 2026 levels (\$9.99), and was provided for information. In budget proposal 1, the requisition was \$10.18, and in budget proposal 2, it was \$11.05 per capita.

After careful consideration at their August 20th meeting, the Executive Committee decided to recommend the board approve the budget with a requisition of \$11.05 per capita.

In Budget Proposal 2 (\$11.05) the expected expenditure of capital assets was calculated and added (vehicles, computers, building, and equipment).

Budget Proposal 1 (\$10.18) was first reviewed in April and follows the pattern for Parkland budgets for the last 30 years. In this scenario, the requisition does not take into account collecting revenue to cover all capital purchases.

In the budget provided for information, the requisition is held at the 2026 level of \$9.99 per capita. To maintain the 2026 rate, it would be necessary to:

- Reduce the Cooperative Collection Fund (line 2.4) to \$5,450
- Reduce the Workshops and Training line to \$5,000 which means, among other things, no longer holding Parkland's annual free conference (line 2.17)
- Reduce Parkland's Audio Book collection, which are books on CD, by 50% (line 2.18)
- Reduce Large Print expenditures by \$2,000 (line 2.20)
- Reduce the reference materials line by \$600 (line 2.22)
- Cut the staff development P.D. budget by \$3,000 (line 3.11)
- Due to reduced reserve levels, technology purchases will be limited to the amount budgeted for in line 2.11 – reserves would not be used

In all budget scenarios, staff who are eligible all receive a step up the salary grid but no cost-of-living adjustment. Staff at the top of the grid would not receive an increase in salary.

There is still no indication of an increase in the operating grant from the provincial government.

After some discussion, the board decided to endorse budget scenario 2 (\$11.05 per capita). The budget with notes for board members will be forwarded to the board and municipalities in the days after the meeting.

Motion by Matt Goudy to approve budget scenario #2 (\$11.05 per capita) as presented.

3.7 CAP Libraries- New Libraries Regulation

Sheppard reviewed a number of communications sent to all library boards by the Government of Alberta related to Bill 28 and the recent changes to the Alberta Libraries Act and Regulation.

There were two letters from the Coalition of Alberta Public Libraries (CAP) signed by Parkland Board Chair Barb Gilliat seeking clarification on a number of issues related to the new legislation. Gilliat's letter received an email response from Dan Williams, and a letter sent to Assistant Deputy Minister Ethan Baynes received a written response. As a result of the letter to Baynes, he invited the members of the CAP Steering Committee to a meeting on July 22nd by Zoom.

Subsequent to the meeting with the Assistant Deputy Minister, a meeting representing members of the broader public library community was held on July 30th. At the meeting, five working groups were established:

- **Principles to guide policy framework**
- **Policy framework for implementation**
- **Identify restricted works**
- **Manage restricted works**
- **Customer communications**

These groups are to work on those mechanisms for compliance with the legislation by January first. Parkland's Director sat on the first group "Principles to guide policy framework".

At yet another meeting of the CAP Steering Committee held on August 5th, it was decided to shift focus back to obtaining additional funding from the Government of Alberta where this whole initiative began well over a year ago. The other area of work will be the preparation of materials to use by libraries and the CAP Steering Committee to communicate why the drastic changes to library service are necessary to comply with legislation.

Joy-Anne Murphy left the meeting at 11:46 a.m.

Parkland staff are concerned about the impact of the legislation, not just because of the severe anxiety being experienced by many library staff, but also because the Parkland board has four outlet libraries, two of which are in schools which have additional legislative restrictions. That means the Parkland board will be held accountable if inspected and found to be non-compliant. Staff are particularly concerned about any costs that might be associated with legislative compliance since Parkland has never been in a position to provide operational funding to our outlet libraries. Should there be any additional costs, they will have to be passed back to the local society that oversees library operations or to the county whose service it is.

To assist with compliance, the Public Library Services Branch has been holding webinars in August and September. Four were scheduled. In addition to the passing of the changes to the Libraries Act and Regulation, the government has indicated that some operational guidelines will be provided to assist library boards obtain compliance with the new legislation, however they have not been forthcoming, as yet

Provincial Policing Support Grant

The City received confirmation of \$414,064 in provincial Policing Support Grant funding for the 2026-27 fiscal year.

The funding assists municipalities that operate and fund their own police services and may support police service delivery, governance and oversight, provincial policing priorities, and enhanced local policing services.

The funding agreement is effective from April 1, 2026, to March 31, 2027, with funds to be issued following execution of the agreement.

Public Hearing - Municipal Development Plan Amendment 405.7

A public hearing was held for Bylaw 405.7, a proposed amendment to Map 1 of the City's Municipal Development Plan. No members of the public spoke at the public hearing.

Following the public hearing, Council unanimously gave second and third readings to the bylaw. The amendment clarifies that Map 1 is intended as a high-level guide for future land use rather than a parcel-specific zoning map.

Community Standards Bylaw Amendments

Council gave first and second readings to amendments to the Community Standards Bylaw addressing vegetation maintenance and residential waste collection carts. (Note: “Waste Collection Carts” means the wheeled bins or carts that are provided to residents for the purpose of collecting recycled materials, garbage or compost, depending on what waste stream the cart has been identified for.)

The changes clarify existing clearance requirements for trees, hedges, and shrubs near alleys, sidewalks, roadways, signs, and municipal infrastructure. They would also require residents to remove waste collection carts from streets, sidewalks, and alleys and return them to private property by 7 a.m. on the second day following collection.

Education and voluntary compliance will remain the first steps before enforcement. The bylaw will return to Council for consideration of third reading.

Recreation Policies Updates

Council discussed proposed updates that would rescind 18 outdated or redundant recreation policies and requested minor changes. The update is intended to simplify and modernize the City’s recreation policy framework while ensuring the remaining policies reflect current programs, practices, and administrative processes.

The revised policy (75.210.01 2025ADP- Michener Park and Recreation Area Administrative Policy) will return to the September 28 Council meeting for consideration and approval.

The policy consolidates guidelines for day use and group camping at Les Walker Park, the Michener Park Campground, tournament overflow camping, batting cages, recreation building storage, and concession operations. It also outlines booking requirements, facility responsibilities, permitted uses, and expectations for park users.

Motions out of Camera

8.1 Tax Recovery Public Auction (ATIA Section 19)

Council approved the terms and conditions for the November 18, 2026, Tax Recovery Public Auction.

8.2 Emergent Resolution for Alberta Municipalities (ATIA Section 29)

Council approved the submission of an emergent resolution, “Protecting Municipal Elected Office from Unrelated Professional Regulatory Restrictions,” for consideration at the 2026 Alberta Municipalities Convention.

8.3 Provincial Advocacy Priorities (ATIA Section 29)

Council confirmed the City’s three primary provincial advocacy priorities for 2026, which will guide provincial advocacy efforts throughout the remainder of the year:

- Lacombe research station and agricultural research capacity
- Seniors lodge redevelopment
- Expanded municipal investment options and a municipal endowment fund

Quick Headlines:

Downtown Mixed-Use Development Approved

Community Standards Bylaw Updated

Road Rehabilitation Planning Direction Set

Municipal Marketing Signage Practices Reviewed

Council received a review of the City's municipal marketing signage practices.

Physical signs continue to complement digital and traditional communications, with branding and consistency guided by the Corporate Identity Administrative Policy.

Social Media Level of Service Report

Council acknowledged the City's Social Media Level of Service Report, supporting the continued use of social media alongside traditional communication channels. Facebook provides the City's greatest overall reach, while Instagram supports visual and community-focused content.

Administration is developing a Social Media Guide to support consistent content planning, platform management and performance measurement. Once complete, the Guide will be implemented as an Administrative Directive.

Downtown Mixed-Use Development Approved

Council approved two development permits supporting the redevelopment of four adjoining properties on 51st Street.

The first permit includes exterior renovations to the existing commercial building at 5020 51st Street and a new parking facility at 5024 51st Street. The second approves construction of a two-storey mixed-use building at 5028 and 5032 51st Street, featuring commercial space on the ground floor and four one-bedroom residential units above.

The coordinated development will provide 35 vehicle parking stalls, five bicycle parking stalls, landscaping, shared site access and private balconies for the residential units. The project adds new housing while maintaining commercial activity at street level and supporting continued investment in Lacombe's historic downtown.

Community Standards Bylaw Updated

Council gave third and final reading to Bylaw 468.3, amending the Community Standards Bylaw to address vegetation maintenance and residential waste collection carts. (*Note: "Waste Collection Carts" means the wheeled bins or carts that are provided to residents for the purpose of collecting recycled materials, garbage or compost, depending on what waste stream the cart has been identified for.*)

The amendments clarify existing clearance requirements for trees, hedges and shrubs near alleys, sidewalks, roadways, signs and municipal infrastructure. Residential waste carts must now be removed from streets, sidewalks or alleys and returned to private property by 7 a.m. on the second day following collection.

The City will begin with education and voluntary compliance as residents adjust to the new collection system. Following the education period, fines for carts left on public property will be \$75 for a first offence, \$150 for a second offence and \$300 for subsequent offences.

Road Rehabilitation Planning Direction Set

Council received a comprehensive technical update on the condition of Lacombe's road network, future rehabilitation needs and several long-term funding scenarios. Based on this information, Council directed Administration to use \$1.8 million annually as a preliminary planning assumption for road rehabilitation in the 2027–2036 Capital Plan. The amount remains subject to review during the 2027 budget deliberations.

The City's 2026 road assessment gave Lacombe's road network an average condition score of 74 out of 100, placing it in the "good" category. Under the selected funding scenario, the average condition is projected to decrease to 71 over the next decade, with approximately 10.3 per cent of roads requiring treatment.

Council also endorsed several updates to the Roads Asset Management Plan, including giving greater consideration to roads with poor ride quality, sealing cracks on local roads every two years, completing a micro surfacing pilot project in 2027 and revising the downtown priority area. Individual projects and funding will continue to require approval through the annual budget process.

PRLS BOARD TALK

Highlights of the Parkland Regional Library Board Meeting SEPTEMBER 17, 2026

2027 Budget

The board approved the draft 2027 budget. At the May board meeting the board asked staff to bring three budgets back to the board at their September meeting. The first budget had no change in the per capita rate (for information only). Budget scenario 1 was made in the manner of Parkland budgets for the last 30 years (\$10.18). In this scenario, the requisition did not take into account collecting revenue to cover capital purchases. Budget scenario 2 was the same as budget scenario 1 with additions for capital purchases. (\$11.05).

Some points to note include:

- Overall, expenditures, other than capital expenses, are anticipated to increase by 1.44% in 2027.
- To balance the budget, it will be necessary to increase the municipal requisition/levy by \$1.06. This is primarily to allow the inclusion of actual capital required for maintaining current service structure.
- The current salary grid has been used, allowing eligible employees a step up the grid. Four employees have reached the top of the grid and will not be eligible for an increase.
- Computer Software License costs are increasing
- Internet Connection fees have increased slightly
- eContent (eBooks, eAudiobooks, etc.) has been increased slightly due to demand

- The Member Library Computer line was changed to the actual cost of the computers needed for member libraries

Provincial grants amount to approximately 38.6% of PRLS' total income.

Revised Approach to Capital Purchases

If Parkland doesn't do some financial preventative maintenance now, it will become less financially stable over time. Parkland is always within its budget for providing services and would post a surplus if it did not have to account for the depreciation of capital purchases. In the past, (because of policy) Parkland has not had the ability to include capital expenditures in the budget, except in the budget supplement which permitted staff to pull required funds from reserves. This is unsustainable – we can no longer afford to fund capital purchases (vans, computers, etc.) simply by using surpluses achieved in previous years. The situation, if it is allowed to continue, would be dire; staff want the board to be aware of and address the problem before it becomes catastrophic.

As presented at the board meeting, a three-pronged approach will correct Parkland's direction:

1. A realigning of the actual reserves that are held within Parkland's bond portfolio
2. The ability to create a separate reserve that is accessible and not locked in the form of bonds
3. A \$1.06 increase in the budget to allow Parkland to save for expected capital purchases

Staff believe that the proposed increase is modest given what it will achieve. Staff will continue in their constant quest to evaluate efficiencies in procedures; allowing Parkland to continue to be able to provide outstanding service in the face of ever-increasing costs.

Licensing Costs for Microsoft

Since 2011, Parkland has maintained an agreement with Microsoft for the licensing of various software throughout the region. This year, we were informed that Parkland no longer qualifies under the existing agreement and that we must move toward a new agreement with different terms.

The renewal cost quoted was four times what we are currently paying. As a result, Parkland had no choice but to make changes to computer software throughout the region.

With the new agreement, Parkland's licensing fee will exceed \$58,800 despite the reduction of licenses.

Parkland Website Project

Sitecore is the software platform Parkland's website is based on. This year, we received a new agreement with a significant increase to our licensing fee.

Tim Spark, Parkland's Manager of Technology Infrastructure, negotiated the cost down, however, due to Sitecore's 5% planned increase per year, compounded, Parkland is currently exploring different website platforms.

After some discussion, the board decided to wait until after Parkland has the chance to discuss the issue with member libraries to get an idea of their priorities and will revisit the issue at the November board meeting.

CAP Libraries – New Libraries Regulation

A number of communications sent to all library boards by the Government of Alberta related to Bill 28 and the recent changes to the Alberta Libraries Act and Regulation.

There were two letters from the Coalition of Alberta Public Libraries (CAP) signed by Parkland Board Chair Barb Gilliat seeking clarification on a number of issues related to the new legislation. Gilliat's letter received an email response from Dan Williams, and a letter sent to Assistant Deputy Minister Ethan Baynes received a written response. As a result of the letter to Baynes, he invited the members of the CAP Steering Committee to a meeting on July 22nd by Zoom.

Subsequent to the meeting with the Assistant Deputy Minister, a meeting representing members of the broader public library community was held on July 30th. At the meeting, five working groups were established:

- **Principles to guide policy framework**
- **Policy framework for implementation**
- **Identify restricted works**
- **Manage restricted works**
- **Customer communications**

These groups are to work on those mechanisms for compliance with the legislation by January first. Parkland's Director sat on the first group "Principles to guide policy framework".

In addition to the passing of the changes to the Libraries Act and Regulation, the government indicated that operational guidelines will be provided to assist library boards obtain compliance with the new legislation, which was released on September 22nd and forwarded to libraries and their boards.

News from Trustees

Penhold & District Public Library has a new library manager and would like to thank those that came to say goodbye to their now retired manager, Myra Binnendyk.

Elnora Public Library will start construction on a new building next month. The building will house the village office and the library. Big thanks to Tim Spark at Parkland for helping move the SuperNet.

2026 Board Survey

The Parkland board evaluated itself with three survey questions:

Do you believe you have a good understanding of Parkland's role and services? 30 out of 32 people said yes.

By the end of a board meeting, do you believe you have received the information you need to be able to speak to council about what transpired? 26 out of 32 people said yes.

Would you willingly come back to serve another year on the Parkland Board? 28 out of 32 said yes.

Notes for the Parkland Regional Library System Budget 2027

Parkland's budget is developed according to Board policy and the constraints imposed by the Parkland Regional Library System Agreement. According to clause eight of the agreement

Library System Budget

- 8.1 The PRLS Board shall prior to November 1 of each year submit a budget to the Parties to this Agreement and an estimate of the money required during the ensuing fiscal year to operate the library system. [Reg. s.25 (1)(f)]*
- 8.2 The budget and estimate of money required referred to in clause 8.1 above, shall be effective upon receipt by the PRLS Board of written notification of approval from two-thirds of the Parties to this Agreement which must represent at least two-thirds of the member population; and thereupon, each Party to this Agreement shall pay to the PRLS Board an amount which is the product of the per capita requisition set out in Schedule "B" and the population of the Parties to the agreement. Payments shall be made on or before the dates set out therein.*
- 8.3 The population of a municipality that is a Party to this Agreement shall be deemed to be the most recent population figure for the municipality as published by Alberta Municipal Affairs.*
- 8.4 Municipalities which join the library system after January 1, 1998 shall pay a signing fee as determined by the PRLS Board.*
- 8.5 The PRLS Board shall apply to the Government of Alberta for all library grants for which it is eligible, in accordance with the Department of Community Development Grants Regulation 57/98.*
- 8.6 Notwithstanding Clause 17.1.c., any increase in the requisition requires written notification of approval from two-thirds of the parties to this agreement which must represent at least two-thirds of the member population.*

Generally speaking, PRLS budgets are prepared with conservative estimates. Revenue is estimated at its minimum level and expenditures are estimated at their maximum level. For 2027, the Executive Committee is recommending the \$11.05 budget, which is a \$1.06 increase over the 2026 budget. This budget includes capital expense purchases, which is a change from the old process.

In an effort to maintain the level of reserves as recommended by the auditors and revamp the reserves to correctly reflect the fiscal position of the organization in a more easily understood

format, the Executive Committee recommended that the capital expenses be reflected in the actual budget, rather than using an additional supplement.

The budget assumes that the Government of Alberta operating grant will remain at the 2023 rate of \$4.75 per capita, calculated using the 2019 Alberta Municipal Affairs population list. It also assumes that the Rural Library Services Grant will remain at \$5.60 per capita, based on the same 2019 population figures.

Points within the budget to note include:

- Overall, expenditures, other than capital expenses, are anticipated to increase by 1.44% in 2027. (This does not include the Alberta Rural Library Services Grant which is a direct payment from funds Parkland receives, which is out of PRLS' control and based on funding from the Government)
- For 2027, twenty expense lines are projected to remain unchanged from 2026, nine will see increases, and seven will decrease
- To balance the budget, it will be necessary to increase the municipal requisition/levy by \$1.06. This is primarily to allow the inclusion of capital required for maintaining Parkland's current service structure
- Computer Software License costs are increasing – these costs have been significant, resulting in changes to software licenses in order to protect from dramatic cost increases in this area (line 2.3)
- Internet Connection fees have increased slightly due to pricing beyond Parkland's control (line 2.8)
- Member Library Computers (line 2.11) has changed from reflecting the .30 cent per capita allotment to the actual cost of the computers required for member libraries
- Supplies purchased (line 2.15) reflects the actual cost of these library supplies, which previously had some of the direct costs for the libraries coming from Supplies/Stationery (line 3.12)
- eContent (eBooks, eAudiobooks, etc.) has been increased slightly due to demand (line 2.19)
- The current salary grid has been used, allowing eligible employees a step up the grid. Four employees have reached the top of the grid and will not be eligible for an increase. No COLA was added. The increase to the salary line equals approximately 1.8%. (line 3.9)

Provincial grants amount to approximately 38.6% of PRLS' total income (lines 1.1, 1.2, 1.4), based on the \$11.05 budget.

Brief Notes – September 2027

INCOME

- 1.1 The Provincial Operating Grant is an estimate, based on statements from the Public Library Services Branch (PLSB) calculated at \$4.75 per capita using 2019 population statistics
- 1.2 The On Reserve, On Settlement grant from the PLSB for reserve populations within Parkland's service area. It is calculated at \$10.35 per capita; \$4.75 operating grant used by PRLS and \$5.60 funding for First Nations initiatives (line 2.6)
- 1.3 Estimated requisition to municipalities to balance budget increased to \$11.05 to cover capital purchases
- 1.4 Grant received for service to rural residents at a rate of \$5.60 per capita; based on the PRLS membership agreement, the grant is dispersed directly to member libraries as directed by municipalities and municipal districts that do not appoint a library board
- 1.5 Decrease reflects the changes in interest rates and estimated returns on investments in RBC investment program and the operating bank account

SUPPORT MATERIALS & SERVICES DIRECT TO LIBRARIES

- 2.1 Estimate, based on statement from PLSB, grant entirely dispersed - see line 1.4 above
- 2.2 Reflects materials allotment rate of \$1.13 per capita
- 2.3 Line increased due to dramatic increase costs for maintenance agreements SoftChoice for Microsoft Office suite. Changes implemented to software provided on public computers have mitigated the overall budget increase. Other software providers are also increasing their fees by an average of 5% per year. This line also includes purchases of non-capital hardware and misc. I.T. items such as adapters, cables, and supplies. For software, subscriptions, maintenance agreements, ongoing website development, the Microsoft Office suite of software for PRLS and member library computers, and PRLS' management of wireless networks
- 2.4 Cooperative Collection Fund – funds to allow Parkland staff to purchase physical materials (e.g., books and DVDs) for placement in member libraries with the intent of reducing interlibrary loans and improving the system-wide collection
- 2.5 This line maintained for eContent platform fees and subscription for the TAL (The Alberta Library) core of eResources and other library license agreement renewals like eMagazines
- 2.6 This line is for the expenses of the On Reserve, On Settlement grant provided through a provincial government grant program calculated at \$5.60 for library service to the Indigenous residents of Parkland's six First Nations Reserves
- 2.7 Held at 2026 level - for vendor freight costs for library materials, in-house collections, IT equipment, and shipment of computers for repairs and/or replacement parts
- 2.8 Increased to account for price increases for internet service provision to member libraries and HQ
- 2.9 Decreased slightly to \$6,500 – tools to assist with cataloguing library materials like WebDewey, as well as Audio Cine, Survey Monkey, Loomly etc.

- 2.10 Held at 2026 level - used to provide tools for marketing, advocacy, and other initiatives for member libraries and PRLS
- 2.11 This line used to reflect .30 cents per capita (plus the remainder of costs to come from reserves). In 2027, the budget includes the actual cost of providing computers for member libraries without using reserve funds
- 2.12 Held at \$600 - operating funding provided to PRLS' three outlet libraries as set by board policy, if local library outlet's sponsoring society provides matching funds
- 2.13 Reduced to reflect actual cost – includes both interlibrary loan postage reimbursement to libraries and interlibrary Loans sent from HQ for libraries
- 2.14 Purchase cataloguing records
- 2.15 Increased slightly to reflect actual cost - used for purchasing library material processing items such as laminated book covers, multimedia cases, as well as library cards
- 2.16 Held at 2026 level - for the operation of three cargo vans and two staff vehicles - anticipated maintenance costs for five vehicles and fuel, using an estimate of actual costs and considering variances for fuel prices
- 2.17 Held at \$16,000 - includes costs for all workshops, conferences, projects, and training activities for member libraries, library managers, staff, and boards

PRLS Circulating Collections

- 2.18 Held at 2026 level to support the physical audiobook collection
- 2.19 Increased due to demands by libraries and renewal of license agreements includes allotment for eBooks, eAudiobooks and other eContent agreements
- 2.20 Held at 2026 level \$12,000 to support Large Print collection
- 2.21 Held at 2026 level \$5,000 to build new kits and replace consumables in current kits for programming in member libraries
- 2.22 Held at 2026 level \$3,600 for reference and professional materials in both print and eResources used by member libraries and PRLS staff

COST OF SERVICES

- 3.1 Held at 2026 level. Covers MNP's agreement to provide audit services, as well as costs for annual letter from PRLS lawyers required for the audit
- 3.2 Reduced slightly to \$1,000 - covers the cost of enhanced electronic banking services and cheques
- 3.3 Increase slightly to \$5,000 based on review of actual over a three-year period. Management fee for the RBC investment program
- 3.4 Held at 2026 level \$27,250 - actual costs reviewed. Covers maintenance and repair, however not capital repairs or replacement
- 3.5 Held at 2026 level \$13,000 - to cover PRLS' cost to belong to membership organizations (e.g., The Alberta Library (TAL), Alberta Library Trustee Association (ALTA), Rural Municipalities of Alberta (RMA) etc.)
- 3.6 Increased slightly to \$27,000 based on actual and anticipated increases - covers five vehicles, general liability, cyber, bond and crime insurance, building and contents, as

well as employee drivers abstracts and reimbursements for business use on personal vehicles. Parkland also pays content insurance for its outlet libraries

- 3.7 Reduced slightly to \$37,000 - for janitorial building maintenance including carpet and window cleaning – also includes outside building maintenance and snow removal
- 3.8 Increased to cover increased costs for providing printed material for training. Reflects contract and usage fees for photocopiers
- 3.9 Reflects current staff levels, with eligible staff receiving a step on the grid but no COLA
- 3.10 Reflects predicted costs for staff benefits, including but not limited to LAPP and Blue Cross based on current staff levels
- 3.11 Held at the 2026 amount – to fund PRLS staff attend and travel to continuing education activities such as seminars, conferences and courses, along with staff performance and support items and activities
- 3.12 Supplies line covers the cost of book processing supplies, general office supplies including stationery, and any other building supplies
- 3.13 Held at 2026 level - includes line charges, toll free number, mobile telephones, and long-distance costs
- 3.14 Held at 2026 level – Based on 5-year review of actual expenses to travel including \$0.57 km reimbursement when staff are unable to use PRLS staff vehicles
- 3.15 Reduced due to the suspension of the Advocacy Committee; includes travel, honorarium and expenses for Executive Committee meetings, external meetings for trustees, and to support trustee activities using virtual and in-person meetings
- 3.16 Held at 2026 level of \$34,000 - based on review of actual costs and then estimated

Also included is a document comparing the change in requisition paid by each municipality in 2026 and 2027.

Subject: Call to Action: Strengthening Public Safety in Alberta - Follow up

Good Afternoon Ms.Svab

We are writing regarding the information we first shared on July 14, 2026, regarding our Call to Action to the Government of Alberta.

We wanted to take this opportunity to highlight the initiative and the opportunity for municipalities to participate. We recognize that many municipalities are balancing busy Council schedules, conferences, budget discussions, and other competing priorities, and wanted to ensure this opportunity remains on your radar.

The National Police Federation (NPF) proudly represents nearly 20,000 RCMP Members serving across Canada and internationally, including over 3,100 who serve in Alberta. This initiative urges the Government of Alberta to pause further investment in an Alberta Sheriffs Police Service until a comprehensive, independent, and publicly available feasibility study is completed. It also calls for evidence-based investments in policing, the justice system, mental health and addiction services, and community-based crime prevention.

A growing number of municipalities and stakeholders have already signed on in support of this Call to Action, and we would welcome the opportunity for Town of Blackfalds to be among them.

We understand that municipal participation may require time to bring this initiative forward for consideration at a Council meeting and to complete any necessary internal approval processes. As a result, we will be extending the participation deadline to allow municipalities additional time to consider the initiative and bring it forward through their respective processes.

If your municipality or stakeholder group is interested in participating, please reply to this email and provide your municipality's logo by October 26, 2026.

Should you have any questions or wish to discuss the initiative further, we would be pleased to arrange a presentation or meeting with you or members of Council.

Thank you for your time and consideration. We hope Town of Blackfalds will join us in advocating for transparent decision-making and practical investments that strengthen public safety for all Albertans.

Kind regards,

Melissa Barnes

CALL TO ACTION TO THE GOVERNMENT OF ALBERTA

Dear Premier,

Albertans deserve safe and healthy communities where residents can rely on essential public safety, health, social, and justice systems. Provincial and municipal governments share responsibility for achieving these outcomes, and municipalities expect the Government of Alberta to be a transparent, accountable, and reliable partner in delivering them.

Municipalities are on the front lines of community safety, working closely with residents, businesses, and law enforcement partners every day. Despite this, municipalities have not been provided with a clear, transparent, and evidence-based plan outlining the full financial, operational, and public safety implications of establishing an Alberta Sheriffs Police Service (ASPS) or transitioning policing responsibilities away from the RCMP. No comprehensive feasibility study, detailed costing model, or long-term funding framework has been made available to inform municipal decision-making or public understanding.

At the same time, Alberta's existing policing and public safety systems are under increasing pressure. Challenges related to rural crime, mental health and addictions, and violent repeat offenders require immediate and sustained investment. Rather than diverting significant public funds towards the creation of a new police service, the Government of Alberta should prioritize strengthening and properly resourcing the systems already in place.

Policing reform must be guided by evidence, transparency, and public confidence. Decisions of this magnitude, affecting community safety, municipal budgets, and taxpayer dollars, must be made in partnership with municipalities and with the clear support of Albertans.

We, the undersigned, call on the Government of Alberta to:

- Cease further investment in and advancement of the Alberta Sheriffs Police Service as a replacement for RCMP municipal policing.
- Release a comprehensive, independent, and publicly available feasibility study, including full lifecycle costing, governance structures, and operational impacts of any proposed policing model changes.
- Seek explicit public support before proceeding with any plan to replace or significantly restructure policing in Alberta.
- Strengthen Alberta's existing policing model by:
 - Increasing RCMP officer levels and resources in communities, while ensuring sustainable and predictable funding; and
 - Invest in the Alberta Sheriffs' existing mandate as a complementary public safety service, including targeted enforcement, rural crime initiatives, and court security.
- Strengthen the justice system by addressing bail reform challenges and repeat violent offending; increasing the number of Crown prosecutors and Provincial Court judges; and ensuring timely access to justice.
- Expand integrated public safety approaches, including police and mental health crisis teams, addiction supports, and community-based crime prevention initiatives that address root causes of crime.

- On the Town's social media channels in the weeks leading up to the Public Hearing.

No written comments have been received to date.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

A Public Hearing supports all four pillars of the Strategic Plan by enabling transparent, inclusive, and informed decision-making through effective communication and engagement. It contributes to Economic Vitality and Community Prosperity by clearly communicating potential impacts of proposed decisions on residents and businesses, fostering a predictable environment for growth; advances Community Life, Safety, and Inclusion by providing accessible, inclusive opportunities for residents to share input in ways that reduce barriers to participation; strengthens Leadership, Engagement and Advocacy by demonstrating accountability, clearly outlining processes, and communicating how public feedback informs decisions; and supports Sustainable Services and Infrastructure by ensuring residents have

access to clear, timely, and understandable information about projects and long-term impacts, enabling meaningful feedback that informs sustainable outcomes.

FINANCIAL IMPLICATIONS

None

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

Engagement during the Public Hearing is supported by creating a clear, accessible, and respectful environment where participants can share input, ask questions, and feel heard. Considerations include providing inclusive participation options, reducing barriers such as timing or accessibility, and ensuring the process is transparent so participants understand how their input contributes to Council's decision-making.

PREPARED BY: Jolene Tejkl, Planning & Development Manager

PRESENTED BY: Jolene Tejkl, Planning & Development Manager

SUBJECT: **Bylaw 1360.26 - Accessory Building Accessed by a Driveway Setback Amendments (Second and Third Reading)**

BACKGROUND

Bylaw 1360.26 proposes to amend Land Use Bylaw 1268/22 (LUB) to remove an either/or rear setback requirement for Accessory Buildings that will be accessed by a Driveway (a detached garage) in response to a Notice of Motion passed by the Municipal Planning Commission (MPC) at their May 21, 2026, meeting.

Council gave First Reading to Bylaw 1360.26 at the September 8, 2026, meeting and set the Public Hearing for this evening's Regular Council Meeting:

306/26 Councillor Hoyte moved That Council give First Reading to Bylaw 1360.26 – Accessory Building Accessed by a Driveway Setback Amendments, as presented.

CARRIED UNANIMOUSLY

307/26 Councillor Twerdoclib moved That a Public Hearing date be set for October 13th, 2026, at 6:00 p.m. in Council Chambers.

CARRIED UNANIMOUSLY

DISCUSSION

The LUB currently requires an Accessory Building accessed by a vehicle (e.g. a detached garage), to be set back either 1 m (3.28 ft) or 6 m (19.69 ft) from the rear property line. As a result, the associated driveway must also be either 1 m (3.28 ft) or 6 m (19.69 ft) in length. The intent of these regulations is to prevent vehicles from overhanging into the lane: a 1 m (3.28 ft) driveway is too short to park a vehicle, while a 6 m (19.69 ft) driveway is intended to fully accommodate one.

Although the intent is reasonable, Planning & Development receives many variance requests related to these either/or requirements which delay the issuance of Development Permits, particularly for lots with irregular rear boundaries, as shown in this example.

The property highlighted in red has a rear property line that is not straight. A variance was required for a proposed detached garage, the location of which is shown in blue. In this case, the applicant was able to meet the 1 m (3.28 ft) setback on one side of the garage. However, to maximize rear yard space and keep the garage parallel

to the dwelling, the other side of the garage was located 3 m (9.84 ft) from the rear property line and required MPC approval for a variance.

There is pressure to process Development Permit Applications efficiently, particularly given the short construction season in Central Alberta. When a variance to the either/or requirements can be processed by the Development Officer, the minimum processing time is approximately six (6) weeks. This includes three (3) weeks for required referrals and a three (3) week appeal period after the decision is issued, provided no appeal is filed.

If the variance exceeds the Development Officer's authority and must be presented to the MPC, the timeline will increase to approximately eight (8) to ten (10) weeks (or more) before the Town can issue a Development Permit, provided no appeal is filed.

In comparison, a Development Permit for a detached garage that does not require a variance is typically issued within one (1) to two (2) weeks.

While the intent of these setback requirements is to prevent vehicle overhang into the lane, the Town's Traffic Bylaw 1232/19 provides enforcement mechanisms to address this issue if it occurs, and LUB contains other regulations to ensure adequate building setbacks. For these reasons, Administration supports the motion carried unanimously by the MPC and has prepared Bylaw 1360.26 for Council's consideration.

The table below outlines the proposed amendments contemplated under Bylaw 1360.26 and the rationale for each amendment which corresponds to the attached Bylaw 1320.26:

Amendment Number	Rationale
Amendment 2.1	Primary amendment that removes the either/or requirement.
Amendment 2.2	Removes reference to the requirement under Amendment 2.1.
Amendment 2.3	Adds onto amendment 2.1 and cleans up the either/or references that Bylaw 1360.26 is proposing to remove.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

- **Economic Vitality and Community Prosperity Alignment:** The Strategic Plan emphasizes economic readiness, business attraction, and retention. By streamlining the Permit process for any Use under the LUB, it reduces barriers for landowners and local contractors. Faster Permit approvals can encourage property improvements and stimulate local construction businesses.
- **Community Life, Safety, and Inclusion:** The more efficient the Permitting system is, the more likely landowners will apply for the proper Permits before starting construction. Having landowners apply for proper Permits helps ensure that new garages are safe and code compliant which contributes to community safety and property value.
- There is also an alignment with the Accountability and Compassion Values. Expediting Permits demonstrates accountability by the Town, by delivering an efficient service, and compassion, by reducing landowner frustration and supporting their needs.

FINANCIAL IMPLICATIONS

None.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

Pursuant to the *Municipal Government Act (MGA)*, all amendments to the LUB must be subject to a Public Hearing after First Reading to the amending Bylaw and before Second Reading may be considered. The Public Hearing for Bylaw 1360.26 was held during this Council meeting which was widely advertised beyond the minimum requirements set forth in the MGA. Notification of the Public Hearing was provided as follows:

Notification	Date Complete
Town Website	September 9, 2026
Printing of Documents for Public View	September 9, 2026
Posting on Town Bulletin Board	September 9, 2026

SUBJECT: **Council Policy CP-199.26 - Annual Budget and Taxation Process (New)**

BACKGROUND

The Budget Process Policy and Procedures 135.19 was updated in 2019. The Policy was rewritten as the Annual Budget and Taxation Process Policy. The Policy needed to be updated to enhance the process, remove procedures that are no longer part of the policy, and address issues including the taxation process and focus on MGA requirements. The rewrite research included reviewing the current policy, and policies from similar municipalities.

Standing Committee of Council reviewed the draft Annual Budget and Taxation Process Policy at the September 15, 2026, Standing Committee of Council and passed the following motions:

That Standing Committee of Council recommend that the Annual Budget and Taxation Policy be directed to a Regular Meeting of Council for consideration.

That the Standing Committee of Council recommend that Council rescind Budget Process Policy 135.19

DISCUSSION

The Budget Process Policy and procedures 135.19 is being replaced with the Annual Budget and Taxation Policy CP-199.26 and aims to outline the principles of the annual budget and taxation process. Both Policies are attached.

The Policy provides a process for a balanced budget and considers a balanced approach between programs, service levels, maintenance and additional infrastructure. Administration will seek to use all sources of funding, service fees and grants where available, including transfers to and from reserves. The tax rate is tied to service levels and operational needs of the Town. The Policy allows for an annual budget adjustment as necessary.

Council will be presented with a budget timeline to establish clear goals and set milestones for each budget cycle. Council will seek input from both the public and administration to further support decisions.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

This Policy ties the budget process to Council's Strategic Plan, long-term plan, and ten-year capital plan. A multi-year plan will enhance the budget process, reinforcing commitments to long-term fiscal health.

FINANCIAL IMPLICATIONS

There are no direct financial implications associated with the adoption of this Policy.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

There are no communication or engagement considerations recommended for adopting this Policy.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion(s):

1. That Council rescind Policy 135.19 – Budget Process Policy and Procedures, effective immediately.
2. That Council adopt Council Policy CP- 199.26 - Annual Budget and Taxation Process as presented, effective immediately.

ALTERNATIVES

- a) That Council refer the draft Council Policy CP-199.26 – Annual Budget and Taxation Process Policy back to Administration for more information.

Policy Statement

A balanced three-year operating and ten-year capital budget must be approved every year to authorize expenditures for the municipality as set out in the Municipal Government Act (MGA), Sections 242 through 249 and 283.

The purpose of this policy is to set out the requirements, guidelines and responsibilities for the annual budget.

1. Reason for Policy

1.1 The major goals of the budget process are:

- 1.1.1 to plan for the provision of services as required for the residents of the municipality;
- 1.1.2 maximize the use of funds and achieve goals of the Municipal Sustainability Plan;
- 1.1.3 account for the safeguarding of public funds;
- 1.1.4 create long range financial sustainability of the municipality;
- 1.1.5 provide conceptual standards for financial decision making;
- 1.1.6 create consistency in financial decisions;
- 1.1.7 establish parameters for administration to use in directing the day-to-day financial operations;
- 1.1.8 create a timeline for the budgeting process, development and monitoring.

2. Related Information

2.1 The attached procedure outlines the general principles that will apply to the development, review and creation of an annual operating and capital budget for the municipality.

3. Definitions

- 3.1 **Consumer Price Index (CPI)** – A measure of changes in the purchasing-power of a currency and the rate of inflation. The consumer price index expresses the current prices of a basket of goods and services in terms of the prices during the same period in a previous year, to show effect of inflation on purchasing power.
- 3.2 **Budget Amendment** – mechanism used to review the approved budget to reflect changes that occur throughout the fiscal year. Once the approved budget is adopted, it can only be changed by a budget amendment.

- 3.3 **Balanced Budget** – means that the expenditures of the municipality have been funded through the identification of various revenue streams.

4. Responsibilities

4.1 Municipal Council to:

- 4.1.1 approve by resolution this policy and any amendments;
- 4.1.2 consider the allocation of resources for successful implementation of this policy in the annual budget process.

4.2 Chief Administrative Officer to:

- 4.2.1 implement this policy and approve procedures;
- 4.2.2 ensure policy and procedure reviews occur and verify the implementation of policies and procedures.

4.3 Director of the Department to:

- 4.3.1 ensure implementation of this policy and procedure;
- 4.3.2 ensure that this policy and procedure is reviewed every three years;
- 4.3.3 make recommendations to the Chief Administrative Officer of necessary policy or procedure amendments.

4.4 Manager to:

- 4.4.1 understand, and adhere to this policy and procedure;
- 4.4.2 ensure employees are aware of this policy and procedure.

4.5 All Employees to:

- 4.5.1 understand and adhere to this policy and procedure.

5. Principles

Budget Development

- 5.1 Budget development will align with the principles of any strategic plans and the Municipal Sustainability Plan.
- 5.2 Inputs obtained from various forms of citizen engagement will be considered during budget planning.

- 5.3 The budget authorizes program and service level delivery to the community. Where possible in future budgets, service levels will be identified.
 - 5.4 Short-term and long-term planning will be considered during budget development. Provision for future requirements is essential for long-term sustainability.
 - 5.6 Council endorsed strategic plans, master plans and studies will guide the preparation of budgets.
- 6. Exclusions**
- 6.1 None
- 7. Special Situations**
- 7.1 None
- 8. Appendix**
- 8.1 None
- 9. End of Policy**

PROCEDURE

Policy No.: 135.19
Policy Title: Budget Planning Policy
Department: Corporate Services

1. Preamble:

- 1.1. The Town considers budget preparation a critical strategic function that aligns financial resources with the strategic plans and ensures appropriate service levels for the residents of the Town of Blackfalds.
- 1.2. The purpose of this procedure is to provide information regarding timelines, approvals and guidelines for operating and capital budget development for the municipality.

2. Operating and Capital Budgets Overview:

- 2.1. The Municipal Government Act (MGA), Sections 242-249 and 283 covers the requirements for budget content and approval for municipalities.
- 2.2. A balanced operating budget must be approved by Council every calendar year. An interim operating budget may be adopted for a portion of the calendar year.
- 2.3. The legislated budget requirements are a balanced operating budget for the upcoming year, a minimum of a three-year operating written financial plan and a minimum of a five-year capital plan. The Town of Blackfalds currently prepares a current year operating budget and three-year forecast and a balanced ten-year capital plan.
- 2.4. One-time revenues will not be used for ongoing expenditures. They may be used to fund non-recurring expenditures or services.
- 2.5. Utility services for water, sewer, solid waste will be self funded. An overhead administrative fee of 5% of operating expenditures will be charged.
- 2.6. The rates for utilities will be established and approved as part of the budget process.

3. Budget Timeline

- 3.1 The budget process commences in July of the year prior to the fiscal year and is completed by April prior to the approval of the tax bylaw. In general, the timelines are:
 - **July/August** – Budget guideline preparation, assumptions for Council approval, citizen budget survey and staff input.
 - **September** – Submission of budget information, review and approval, calculation of major areas such as revenues, taxes, general revenues, salaries & benefits, other fixed expenses, budget open house.
 - **October** – Senior Administration review and revisions, preparation of budget document.

- **November** – Budget workshop with Council, presentation of budget, revisions as required.
- **December** – Presentation of revised (if required) interim budget for approval.
- **April** – Presentation of final budget with amendments for final assessment and tax revenue.

3.2 The overall budget timeline consists of the following items:

1. Budget assumptions presented to Council for discussion and approval.
2. A budget survey is held for residents to provide feedback on questions. Each year new questions are developed. The responses are included in the budget document.
3. A budget open house is held each year to obtain feedback from residents as well as to provide information to the residents.
4. Instructions to Directors/Managers in late July/August for operating and capital budget information completion.
5. Finance reviews major areas such as global revenues including property taxes, grants, interest, etc. and expenses that are complex such as salaries and benefits or fixed such as utilities, debt payments and insurance.
6. Capital budgets will consist of taking the current year of the 10-year plan and determining if any changes are required.
7. The 10-year capital plan will also be reviewed to identify long range changes.
8. The budget preparation is prepared electronically and will allow staff to enter budget changes or projections for up to five years.
9. The budget information will be approved by the Directors prior to submission to Finance by early September.
10. The Chief Administrative Officer (CAO) will also review and approve all department submissions,
11. Consolidation of budget information for review, analysis and senior administration discussion. This includes balancing the budgets for both operating and capital.
12. Adjustments as required based on input from senior administration to balance the budget should be completed by mid to the end of October.
13. Preparation of budget document for Council review, usually in November.
14. Presentation of budget document through the budget workshop to Council. This includes presentation and discussion along with any recommended changes by Council.
15. Revision to the budget document based on budget workshop.
16. Presentation of the budget to Council for approval at the December Council meeting.
17. Budget amendments in April based on final assessments received in February so the tax bylaw can be completed and approved.

4. Budget Assumptions:

4.1 Budget assumptions are developed and presented to Council for approval.

4.1.1 These include key areas such as:

- a) Property Taxes – CPI rates, new growth estimates;
- b) Service level changes;
- c) Salary and benefit increases based on collective agreement information;

- d) Compensation strategies;
- e) Staffing proposals as per the updated staffing plan prepared by Senior Administration;
- f) Municipal Census;
- g) Utility Rates;
- h) User Fees; and
- i) Franchise fee projections and capital reserve transfer.

5. Interim and Final Budget

- 5.1 The interim budget will be approved prior to December 31 of the year preceding the budget. This provides legislated approval for the municipality to make expenditures.
- 5.2 The final assessment for the fiscal year is received by February of the year in question. Prior to approval of the tax rate bylaw, the interim budget needs to be adjusted to reflect the new assessment and requisitions (if available) for the schools and senior requisitions. The interim budget with amendments for tax revenue, assessment and requisitions will be presented for approval as final budget prior to the tax bylaw being presented.

6. Tax Revenue

- 6.1 Taxes will be levied to fund the costs to deliver tax supported services. These services include those planned for within the operating fund as well as transfers to the capital fund. In some cases, user fees are charged to offset the cost to deliver services. The operating fund will include the projected costs to deliver services to the community.
- 6.2 When planning for tax revenue increases, the following will be considered:
 - a) Tax increases should be reasonable and affordable while still maintaining the level of service that Council and residents expect.
 - b) The annual tax increase (excluding growth) may be within a range of:
 - i. At the low end, by the higher of:
 - a. 100% of the CPI All Items year over year change for the Province of Alberta as at September of the year prior to the budget year;
 - b. the percent increase as stipulated under collective bargaining for wage increases for the year;
 - c. at the high end, 200% of the CPI All Items year over year change for the Province of Alberta as at September of the year prior to the budget year.
 - ii. Consideration of the economic conditions will also be considered when selecting the tax increase for the municipality.
 - iii. Typically, the CPI will be used for the increase unless other factors dictate a need for higher or lower than usual increases.

7. Operating Budget Guidelines

- 7.1 All operating budget submissions will be reviewed by the Director, CAO and Finance staff prior to presentation to Council.
- 7.2 Current year budgets are to be prepared based on existing service level operations.
- 7.3 Changes in service levels or new programs will be identified along with costs and justification submitted for consideration.
- 7.4 Each department shall identify goals and objectives for the upcoming year that integrate the operating and capital budget requests with the Municipal Sustainability Plan wherever possible, along with any other studies/reports adopted by Council.
- 7.5 Directors and managers will review prior year actuals and budgets and make adjustments based on changes in service or program delivery. Any significant changes will require either a business case or explanation for the change.
- 7.6 Where possible, cost savings and efficiencies are encouraged.
- 7.7 Revenues are to be calculated based on known trends, historical information or approved studies/reports including user fee reports or master plans, etc.
- 7.8 Volatile revenue sources will not be used to fund ongoing expenditures.
- 7.9 Staffing will be based on the existing compliment. Any changes to staffing need to be included in the staffing plan that is reviewed by the Administrative team.
- 7.10 The senior administration team will evaluate each new program and/or service enhancement on the basis of need and funding availability. Some of the considerations will be:
 - a) Legislative requirements
 - b) Capital impact
 - c) Growth adjustment
 - d) Cost savings or efficiencies
 - e) Identified need with revenue possibilities

8. Operating Budget Spending Before Budget Approval

- 8.1 If a budget has not been approved, departments are authorized to expend funds at the previous year's service levels, unless specifically directed by Council until the current year's operating budget has been approved.
- 8.2 No new programs or service enhancements are to be implemented prior to the operating budget being established and approved by Council.

9. Emergency Spending

- 9.1 In accordance with the Town's Purchasing Policy, where authority has not been given in the operating or capital budget for a particular expenditures or line item, no department shall spend funds unless an emergency occurs requiring immediate spending and the CAO approves such emergency spending. Council will be advised at the next scheduled Regular Meeting, along with a funding source.

10. Capital Budget

- 10.1 A capital item is defined as a significant expenditure incurred for the improvement, acquisition or major rehabilitation of buildings, equipment, rolling stock and infrastructure used in providing municipal services (including studies undertaken to plan for these expenditures).
- 10.2 A capital expenditure includes capital assets as defined by the municipalities Tangible Capital Asset Policy.
- 10.3 A capital asset will have benefits lasting beyond one year and have a minimum threshold of \$5,000 or as otherwise stipulated in the Town's Tangible Capital Asset Policy.
- 10.4 A repair or maintenance expenditure designed to maintain an asset in its original state is not a capital expenditure, unless it will extend the useful life of the asset. Such repairs or maintenance expenditures will be included in the operating budget.
- 10.5 Once a capital project has been approved it is not permitted to use these funds to purchase any item other than the items contained in the original project approved by Council.

11. Capital Budget Preparation

- 11.1 A ten-year plan has been prepared and approved by Council. Each year, the starting basis for the current capital budget will be the upcoming year in the ten-year plan.
- 11.2 Staff will review these projects to determine if they are still required and make any adjustments as required for the scope of the project.
- 11.3 The future projects should also be reviewed for relevancy, cost estimates and timing.
- 11.4 Each project shall contain:
- a) A project number (as assigned by Finance)
 - b) A title to be used consistently throughout the budget
 - c) The department responsible
 - d) The year identified
 - e) Asset Type
 - f) A brief description of the project including objectives, why it is required, potential funding sources and linkage to the strategic plan.
 - g) A project ranking following the ranking system in place.
 - h) Identification of operating impacts/expenditures that result from the capital project. This would include increased operating costs or savings due to more efficient operations.

11.5 Projects will be submitted to Finance for compilation into the new ten-year plan.

11.6 Finance will compile the projects and review funding sources.

11.7 Senior administration will review project rankings and determine the viability of projects. If there is insufficient funding, projects may be moved out into future years of the ten-year plan.

12. Capital Budget Priority Ranking Process

12.1 A ranking system for capital projects will be developed that identifies legislative, safety, growth related, dependant, critical life cycle maintenance and general benefit:

- a) This process will be utilized in the determination of the selection of capital projects;
- b) This will align capital development with the strategic plan and assist in long-range forecasting and resource allocation;
- c) All projects submitted will be ranked by the categories provided;
- d) The ranking will range from 0 to 3, with 0 being not applicable, 1 - low priority, 2 - medium priority, and 3 - high priority;
- e) An average of the rankings will be used to determine priorities;
- f) These rankings will be reviewed and approved by the CAO and senior administration prior to budget presentation to Council;
- g) These rankings will be used for much of the basis for selection. There may be need on occasion to move a project forward based on consumer demand;
- h) Every year, rankings for future projects will be reviewed to determine if there have been changes.

12.2 The following rankings will be considered:

Description	Explanation	Weight
Legislative Requirements	The projects must be completed to meet statutory or mandated initiatives and are the highest priority for funding. Items included in this ranking are mandated accessibility requirements, minimum maintenance standard requirements.	25
Strategic Plan	Items that have been identified in a strategic or master plan. Where possible, triggering factors should be included such as population levels, growth, volume or user consumption levels.	25
Committed Project	Projects that have already commenced and are a continuation from a prior year.	20
Public Health and Safety	There is a recognized health and safety issue that could place the Town in a situation of high risk if not for immediate corrective action.	20
Phased Project	A project that if not completed, would preclude continuation of another project, result in the loss of external funding opportunities or is a parallel project that is fiscally efficient (ie. replacement of a sewer at the same time as water line or road construction).	20

Description	Explanation	Weight
Dependant Project	a project that is required to be completed to enable another project to proceed.	20
Development Growth Related Project	High - Project that is partially or wholly funded through Development Levies. Growth would be impeded if the project were delayed. Population projections must be approaching critical mass for this ranking. Full funding must be available otherwise it should be ranked lower. Low - Projects would be funded in whole or part by Development levies but can be done "in their turn" or wait for enough funds to be available.	20
Lifecycle Maintenance	High - Projects that cannot be delayed and will result in asset failure. Medium - Projects where there may be a one- or two-year period before it becomes critical. Low - Projects where there are several years before they become critical.	20
Asset Replacement	Assets that have a routine replacement plan over a span of years. (ie. vehicles, heavy equipment, fire equipment and information system hardware and software)	20
Operating Cost Reduction or Efficiency	Projects will reduce net current and future operating or maintenance costs. The payback period must be less than five years.	15
General Benefit	Projects that will have a general benefit to the community as a whole. These are the "nice to have".	5
Utility Project (Fully Funded)	Any utility project that will utilize the utility reserves and will be fully funded. (This will determine ranking based on funding availability)	20

13. Capital Spending

- 13.1 Unless a capital budget has been approved by Council, no department will begin a capital project that was not authorized in the current or prior year.
- 13.2 Budget authorization in unusual circumstances may be brought to Council through a Request for Decision if there is a need either to amend the existing budget or obtain approval for something that has arisen during the year and cannot wait for the subsequent budget cycle.

14. Budget Reporting

- 14.1 Quarterly financial reports will be provided for both operating and capital expenditures for the end of March, June and September of each year.
- 14.2 The December report will be presented upon completion of the annual audit and all the final entries have been completed.

ANNUAL BUDGET AND TAXATION PROCESS

POLICY NO	CP-199.26
DIVISION DEPARTMENT	Corporate Services
REVIEW PERIOD	Every 4 Years, Upon Legislative Change or As Required

1. POLICY PURPOSE

- 1.1 To establish a balanced three-year Operating Budget and 10-year Capital Budget in accordance with the *Municipal Government Act*.
- 1.2 To set out the requirements, guidelines and responsibilities for the annual budget and property taxation.

2. POLICY STATEMENT

- 2.1 The adoption of the Town's Budget and tax rate bylaws are among the most critical functions undertaken by Council.
- 2.2 Budgets shall be developed in a consistent and planned manner, and budgets shall take into consideration the impacts on future years and the Town's ability to fund those impacts.
- 2.3 Municipal and Utility Operating Budgets shall be prepared for a three-year period. Council approval is required for the first year, and the subsequent years will be presented for Council's information.
- 2.4 The Town will strive to maintain an appropriate transfer to capital reserves in the operating budget to support the ten-year capital plan.
- 2.5 Town utility expenditures will be funded entirely from reserves and self-supporting utility rates.
- 2.6 The Town shall maintain a fair, transparent, and competitive system of municipal property taxation while collecting the necessary revenue to meet municipal program and service funding obligations.

3. DEFINITIONS

- 3.1 **"Annual Budget"** means a combined operating budget and capital budget for the calendar year determined on a basis consistent with accounting standards and the requirements of the *Municipal Government Act*.
- 3.2 **"Alberta Consumer Price Index"** (CPI) means a measure of inflation that tracks changes in the prices of a basket of goods and services over time, reflecting changes in purchasing power.

- 3.3 **“Capital Budget”** contains the estimated amount to acquire, construct, remove or improve capital property, and anticipated sources of money, and the amount to be transferred from the operating budget or reserves.
- 3.4 **“Chief Administrative Officer or CAO”** means the Chief Administrative Officer of the Town of Blackfalds, appointed by Council as per the *Municipal Government Act*.
- 3.5 **“Council”** means all Elected Officials of the Town of Blackfalds.
- 3.6 **“Town”** means the municipality of the Town of Blackfalds.
- 3.7 **“Operating Budget”** contains an estimated amount of expenditures and transfers, along with an estimate of revenue needed to provide for the council's policies and programs, pay debt obligations, requisitions, municipal obligations and transfers to capital budgets or reserves, all property and business tax, grants and transfers from the accumulated surplus or reserves.

4. SCOPE

- 4.1 This Policy applies to the Town of Blackfalds Council, Administration and internal and external agencies.
- 4.2 This Policy comes into effect upon approval of Council.

5. AUTHORITY AND RESPONSIBILITIES

- 5.1 Council to:
 - 5.1.1 Adopt and support this Policy by resolution.
 - 5.1.2 Consider the allocation of resources for the successful implementation of this Policy in the Annual Budget process.
- 5.2 Chief Administrative Officer to:
 - 5.2.1 Advise Council on the development, implementation, and amendment of this Policy.
 - 5.2.2 Ensure Policy review occurs and verify the implementation of this Policy.

6. POLICY

- 6.1 **General**
 - 6.1.1 The approved Annual Budget shall serve as the financial plan for the Town and as the policy document of Town Council for implementation of Council's goals and objectives outlined in Council Strategic Plan. The approved Annual Budget shall provide Administration with the direction and resources necessary to accomplish Council-determined service levels and Administration's departmental budget.

- 6.1.2 The need for programs and service levels will be the major consideration in determining the tax rate; however, local property tax of other municipalities will also be taken into consideration.
- 6.1.3 Administration will present a budget timeline to Council in the first quarter of the year to establish clear goals and milestones for the upcoming budget cycle.
- 6.1.4 Council will seek input from the public and Administration during budget preparation and throughout the year. Public input will be received through budget discussions with the public during the Community Information Expo and other public Council meet-and-greet sessions.
- 6.1.5 Long-term liabilities will be reviewed by Council annually.
- 6.1.6 The municipal tax rates will be set by Council annually through the Property Tax Rate Bylaw.
- 6.2 **Multi-Year Planning**
 - 6.2.1 Multi-year planning enhances the budget process by reinforcing commitment to long-term fiscal health by looking beyond a one-year horizon. This multi-year view will provide citizens, businesses and agencies with longer-term information regarding the Town's planned programs.
 - 6.2.2 The primary multi-year planning document will be Council's Strategic Plan.
- 6.3 **Capital Funding**
 - 6.3.1 Capital funding is a base funding amount, within the Operating Budget, that supports the 10-year capital plan. Capital contributions shall be carried out through.
 - 6.3.2 Annual transfers to reserves in accordance with the 10-year capital plan.
 - 6.3.3 A change in cost related to debt servicing shall result in a change to other components of the capital funding for the 10-year capital plan.
- 6.4 **Balanced Budget**
 - 6.4.1 The Town shall adopt a balanced budget where operating revenues are equal to operating expenditures for each year
 - 6.4.2 The Town shall use the average Alberta CPI increase for the 12 months from July 1st to June 30th as the targeted property tax increase
 - 6.4.3 The following rules are proposed to govern year-end operating surpluses:
 - 6.4.3.1 Any utility funded surplus will be directed back to the corresponding Utility Reserve.
 - 6.4.3.2 Any other surplus will be applied to the general operating reserve.

6.4.3.3 When the general operating reserve reaches its target balance, Administration will present options and seek Council direction on future allocations.

6.5 One-time Revenues

6.5.1 Major one-time revenues will be applied to:

6.5.1.1 Reserve for use in maintaining reserve levels set by Council Policy; or

6.5.1.2 One-time expenditure.

6.5.2 Operating surpluses and one-time revenues will not be used to fund ongoing expenditures, as this may result in annual expenditure obligations being unfunded in future years.

6.6 Use of Unpredictable Revenues

6.6.1 Unpredictable revenue sources will not be relied upon to directly fund expenditures until the revenue has been received.

6.7 Revenue Diversification

6.7.1 The Town may charge fees for services where it is applicable and cost-effective to do so.

6.7.2 The Town will strive for full cost recovery where it is applicable and cost-effective to do so.

6.7.3 The Town's utility departments will follow a full cost recovery rate model.

6.7.4 Other departments shall follow a cost recovery model as established by Council.

6.7.5 The Town will continuously seek new and diverse revenues to limit the dependence on only a few revenue sources and to maintain needed service levels.

6.8 New Programs and Changes in Service Levels

6.8.1 The Operating Budget will be developed on the principle of sustaining current programs and levels of services. Recommendations for new programs and/or service level adjustments (increase or decrease) will be presented during the Annual Budget process.

6.8.2 The Town will pursue federal, provincial, and private grants but will strictly limit financial support of these programs to avoid commitments which continue beyond funding availability.

6.8.3 Annually, the Town will review and update the Municipal Service Inventory in accordance with the Council Policy.

6.9 Funding Outside Agencies

- 6.9.1 Request for community grant funding by an agency shall be included in the budgeting process and shall:
 - 6.9.1.1 Be submitted to the Town via the Community Grant Funding Application no later than the application deadline of August 31st.
 - 6.9.1.2 Any request for an extension of the application deadline may be submitted in writing to the CAO and may be allowed at the discretion of the CAO.
 - 6.9.1.3 Provide a business case for the funding and include an indication of financial need supported by financial statements.
 - 6.9.1.4 Be presented to Council by the requesting agency and shall include, if applicable, an annual report to the Town of the past year's program outcomes including a financial account of the funds expended.
 - 6.9.1.5 All applications for Community Grant Funding are funded outside of the Community Initiatives grant.
- 6.9.2 Community grant funding expenses shall be budgeted to include target increases for each returning agency. Any request above and beyond that increase shall be summarized in a table and presented for Council review by Administration.
 - 6.9.2.1 Community grant funds are confirmed once Council approves the final Operating Budget and shall be disbursed within the new fiscal year.

6.10 Annual Budget Adjustments

- 6.10.1 Any changes to estimates of revenues or expenditures shall be presented to Council prior to the adoption of the annual Property Tax Bylaw.
- 6.10.2 Emergency expenditure items, such as facility or infrastructure repairs, shall be considered by Council on a case-by-case basis and as determined by the CAO.
- 6.10.3 The CAO may approve variations in individual expense items. Variations in individual expenses must not result in an overall change to the costing center or affect service levels, unless approved by Council.

6.11 Reserves

- 6.11.1 Use of reserves is planned and is not considered an alternate funding source in place of good financial practice.
- 6.11.2 The Town will establish and maintain appropriate reserves as determined by Council through its Financial Reserve Policy and planning.
- 6.11.3 The budget will allocate an appropriate level of funds to reserves in order to maintain services throughout economic cycles to:
 - 6.11.3.1 Ensure against unforeseen cost and revenue reductions;

6.11.3.2 Provide bridge financing for capital; and/or

6.11.3.3 Allow the Town to take advantage of grants and/or market opportunities.

6.11.4 The Town will maintain capital reserves in order to ensure a current and sufficient asset base to support Town programs and services. Contribution to these reserves will be based on the 10-year rolling average for capital investment.

6.11.5 In addition to its capital reserve funds, the Town may establish reserves to:

6.11.5.1 Fund large, long-term liabilities; and/or

6.11.5.2 Fund multiple-year special projects.

6.12 Infrastructure

6.12.1 The Town will endeavour to preserve and renew its infrastructure as a priority over developing new infrastructure.

6.12.2 Projects and maintenance will not generally be deferred unless the need for the project or maintenance changes. As a result, projects in the 10-year capital forecast advance from year to year in an orderly fashion. Maintenance is not deferred to meet funding constraints since deferred maintenance generally results in increased operating or replacement costs in the future.

6.12.3 The CAO will ensure that departmental budgets provide an appropriate proportion of the cost of new development related to capital infrastructure, as determined by Council Policy, and be financed by development charges.

6.13 Revenue Estimates

6.13.1 Projected operating revenues will be based on approved service levels, historical trends, and will be supplemented with additional knowledge of future expectations.

6.14 Original Scope of Capital Projects

6.14.1 Throughout the budget period, opportunities may arise to change the original scope of a project due to:

6.14.1.1 Lower tender results from the budget.

6.14.1.2 Additional funding from unexpected revenue such as grants or contributions from agencies.

6.14.2 The original scope of an approved project shall only be changed with formal approval from Council

6.15 Revenue Neutrality

6.15.1 In an effort to protect ratepayers from dramatic shifts in property taxation due to annual market value assessment changes, the Town's overall municipal tax revenues shall not automatically increase with market value assessment increases. The general municipal tax rate for the Town shall be adjusted to

ensure revenue neutrality. Increases to general tax revenue shall be limited to new development and construction and tax rate increases approved by Council.

MEETING DATE: October 13, 2026

PREPARED BY: Brad McKenzie, Information Governance Coordinator

PRESENTED BY: Kim Isaak, Chief Administrative Officer

SUBJECT: **Council Policy CP-200.26 - Duty to Document**

BACKGROUND

To effectively manage the Town's records and information, it is important that decisions, actions, transactions, deliberations, advice and recommendations specific to our mandate are documented and retained.

It is especially critical to ensure that records containing the personal information of our residents are handled and protected appropriately.

DISCUSSION

A recent recommendation from the Office of the Information and Privacy Commissioner sets out the need to establish clearly written guidelines for the capture and retention of the Town's official records and personal information.

The intent of the Duty to Document Policy is to satisfy this recommendation and ensure that records and information that pertain to the Town's mandate are adequately captured and preserved.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

This policy change aligns with Leadership, Engagement and Advocacy by building trust through responsible information handling and strengthens organization leadership credibility.

FINANCIAL IMPLICATIONS

There are no financial implications related to this request.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

No communication or engagement considerations are recommended for this Policy.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion(s):

1. That Council adopt Council Policy CP-200.26 – Duty to Document, as presented.

ALTERNATIVES

- a) That Council refer the Council Policy CP-200.26 - Duty to Document Policy back to Administration for more information or amendments.

ADMINISTRATIVE REVISIONS

Date	Description

MEETING DATE: October 13, 2026

PREPARED BY: Rick Kreklewich, Director of Community Services

PRESENTED BY: Rick Kreklewich, Director of Community Services

SUBJECT: **Indigenous Heart Garden Support Letter**

BACKGROUND

The Heart of Blackfalds Society (HBS) is exploring the development of an Indigenous Heart Garden within Blackfalds. The proposed project is intended to serve as a passive community space focused on reflection, education, healing and reconciliation through Indigenous inspired design elements and gathering spaces.

The concept includes walking trails, seating areas, interpretive opportunities and a central gathering circle. The Heart of Blackfalds Society presented the project concept to the Recreation, Culture and Parks Board on June 3, 2026, and Council at the Standing Committee of Council Meeting on September 15, 2026.

The Society is in the early stages of project development and is seeking community support as it pursues fundraising opportunities, sponsorships and grant funding. The Society has requested a letter of support from the Town of Blackfalds to accompany funding applications and fundraising initiatives.

DISCUSSION

The proposed Indigenous Heart Garden has the potential to provide a unique community amenity that recognizes Indigenous culture and promotes reconciliation, reflection, education and community connection.

Providing a letter of support would demonstrate Council's recognition of the project's potential benefits and assist HBS in pursuing funding opportunities. Any future requests involving municipal funding, land use, partnerships, construction participation or maintenance responsibilities would be brought forward to Council for consideration.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

The proposed Indigenous Heart Garden supports Council's vision of fostering a connected, inclusive and welcoming community by creating a space that encourages reflection, learning, cultural

awareness and community gathering. The project aligns with broader community-building objectives by supporting partnerships with local organizations, enhancing passive recreational opportunities and promoting reconciliation through the recognition and celebration of Indigenous culture and heritage. The initiative also contributes to the development of meaningful public spaces that support resident wellbeing, community pride and social connection.

FINANCIAL IMPLICATIONS

There are no direct financial implications associated with providing a letter of support.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

The Heart of Blackfalds Society presented the Indigenous Heart Garden concept to the Recreation, Culture and Parks Board on June 3, 2026, and to Council at the September 15, 2026, Standing Committee of Council Meeting.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion:

1. That Council authorize Administration to provide a letter of support for the Heart of Blackfalds Society's Indigenous Heart Garden project to assist the organization in fundraising, sponsorship development and grant funding applications.

ALTERNATIVES

- a) That Council defer consideration of the request pending additional information from the Heart of Blackfalds Society and/or Administration.
- b) That Council provide a letter of support subject to conditions identified by Council.

MEETING DATE: October 13, 2026

PREPARED BY: Kim Isaak, Chief Administrative Officer

PRESENTED BY: Kim Isaak, Chief Administrative Officer

SUBJECT: **Environmental Sustainability Strategy Committee**

BACKGROUND

Council discussed the Environmental Sustainability Strategy (ESS) and the proposed Council Committee at the July 20, 2026, Standing Committee of Council, and directed Administration to develop Terms of Reference for the proposed Environmental Advisory Committee and bring it forward for Council approval.

Upon further reflection, it was determined that a number of the actions required to advance the Environmental Sustainability Strategy have already been identified within the strategy. Given the operational nature of the Committee and its role in supporting implementation of the Strategy, Administration recommends establishing it as an administrative committee. The Committee would provide relevant knowledge and expertise to Administration as those actions are advanced.

Administration would, however, like to invite members of the public with relevant professional expertise in environmental sustainability to serve on the Committee and share their knowledge and experience in this area.

DISCUSSION

Administration is bringing forward the report for Council's endorsement of the Environmental Sustainability Strategy Committee being an administrative committee as opposed to a Committee of Council.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

Establishing an administrative committee supports Council's strategic priorities by providing Administration with access to relevant professional and community expertise while maintaining an efficient and cost-effective governance structure. The committee would encourage public participation and informed decision-making, demonstrate leadership in environmental sustainability, and assist Administration in implementing practical initiatives that contribute to economic vitality and an inclusive and engaged community.

FINANCIAL IMPLICATIONS

None

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

The Town will use its social media platforms to invite residents with relevant professional expertise to express their interest in serving on the Committee.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion:

1. That Council endorse Administration's recommendation for the establishment of an Environmental Sustainability Administrative Operational Committee.

ALTERNATIVES

- a) That Council refer the Environmental Sustainability Strategy Committee back to Administration.

PREPARED BY: Kim Isaak, Chief Administrative Officer

PRESENTED BY: Kim Isaak, Chief Administrative Officer

SUBJECT: **Council Per Diem Allotments**

BACKGROUND

At the August 25, 2026, Regular Meeting of Council, a resolution was passed to convene the Council Review Committee to review the per diem allotments for the Mayor and Council.

The Council Remuneration Review Committee met on September 21, 2026, to discuss the matter and approved the following motions:

1. Moved by Member Johnson That the Council Remuneration Review Committee recommend to Council to amend section 6.9 of the Council Remuneration and Compensation Policy to read as follows:

“A per diem system is established with an annual allocation of \$12,000 for the Mayor and \$6,500 for each Councillor for a total of \$51,000.”

CARRIED UNANIMOUSLY

2. Moved by Member Poole that the Council Remuneration Review Committee recommend to Council that the Council Remuneration and Compensation Policy be amended to add a new section after 6.9 that reads as follows.

“In an election year, an additional \$14,000 shall be allocated to a separate pooled budget for mandatory Council Orientation training and training offered through the Elected Officials Education Program. Any unspent funds can be carried forward into the next calendar year to complete any orientation or education programs.”

CARRIED UNANIMOUSLY

3. Moved by Member Sumner that the Council Remuneration Review Committee recommend to Council that the per diem allotments outlined in the policy be mirrored in the Council Budget.

CARRIED UNANIMOUSLY

DISCUSSION

Based on the above recommendations, Administration has prepared the edited Council Remuneration and Compensation Policy and is recommending that Council approve the revised Policy and direct Administration to include the updated per diem allotments in the 2027 operating budget.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

The proposed increase to Council per diem allotments for training and attendance at conferences, and eligible meetings supports Council's commitment to effective governance, continuous learning, and community leadership.

FINANCIAL IMPLICATIONS

The actual per diem allotments will be \$5,000 less than what was budgeted in the 2026 budget at \$56,000. There will be an increase in the year of an election with an additional \$14,000 allocated to a separate pooled budget for mandatory Council training and training through the Elected Officials Education Program.

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

The updated Council Remuneration and Compensation Policy will be uploaded to the Town's website.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion(s):

1. That Council adopt the revised Council Policy CP-189.25 - Council Remuneration and Compensation, effective January 1, 2027.
2. That Council direct Administration to include the following per diem allotments in the 2027 Operating Budget. \$12,000 for the Mayor and \$6,500 for each Council member for a total amount of \$51,000.

ALTERNATIVES

- a) That Council refer the Council Per Diem Allotments back to Administration.

COUNCIL REMUNERATION AND COMPENSATION

POLICY NO	CP-189.25
DIVISION DEPARTMENT	Administration
REVIEW PERIOD	Every 4 Years or Upon Legislative Change

1. POLICY PURPOSE

- 1.1 The *Municipal Government Act* allows for compensation to be made to members of Council for duties performed. It is the intention of the Town of Blackfalds to provide fair and equitable compensation to members of Council as they carry out their responsibilities. This Policy provides guidelines for the provision of remuneration to elected officials.

2. POLICY STATEMENT

- 2.1 In recognition of the value and contributions of the Town of Blackfalds Council, the Mayor and Councillors will receive fair and equitable compensation with standards that reflect the roles and responsibilities of elected officials of the Town. To achieve this, the following principles will be applied:
- Compensation will be fair and reasonable and will attract a diverse and representative pool of candidates from Blackfalds residents wishing to seek election for Council.
 - Recognition that the work of the Mayor and Council is demanding and important, and as such, they should be appropriately compensated.
 - Recognition of the complexity, responsibilities, time commitments and accountabilities associated with the role of Mayor and Council.
 - Demonstrates fiscal responsibility and aligns with the Town of Blackfalds Strategic Plan.

3. DEFINITIONS

- 3.1 **“Administrative Procedure”** means specific written processes that support a policy. Procedures that are created, amended or made obsolete require the approval of the CAO.
- 3.2 **“CAO”** means the individual appointed by Council to the position of Chief Administrative Officer.
- 3.3 **“Council”** means all elected officials of the Town of Blackfalds, including the Mayor.
- 3.4 **“Town”** means the municipality of the Town of Blackfalds.

4. SCOPE

- 4.1 This Policy applies to Council for the Town of Blackfalds.

5. AUTHORITY AND RESPONSIBILITIES

- 5.1 Council to:

- 5.1.1 Adopt and support this Policy by resolution.
- 5.1.2 Consider the allocation of resources for the successful implementation of this Policy in the annual budget process.

- 5.2 Chief Administrative Officer to:

- 5.2.1 Advise Council on the development, implementation, and amendment of this Policy.
- 5.2.2 Ensure Policy review occurs and verify the implementation of this Policy.
- 5.2.3 Establish any Administrative Procedures required for carrying out this Policy.

6. POLICY

- 6.1. A review of the Council Remuneration and Compensation will be conducted on a four-year cycle completed in the year of a Municipal General Election. A dollar amount per capita modifier will be used and derived by the 75% percent median from the analysis of comparator municipalities that align with the Town of Blackfalds within a +/- 10 percent median of compensation. Council will determine the appropriate manner in which to conduct a Council Remuneration and Compensation Review using one or more of the following strategies:
- Administrative review
 - Third party review
 - Volunteer Committee of Residents or Task Force Review (Combination of Volunteers with the assistance of external consultants)
- 6.2 A compensation adjustment of 2% will be brought forward to the budget in 2027, 2028 and 2029. Adjustments will be effective on the first pay period in the New Year unless otherwise directed by Council.
- 6.3 Health Benefits provided under the Municipality's current benefit provider are offered as an option for Council members to participate. Coverage is similar to that provided to the organization, with the exclusion of short and long-term disability.

- 6.4 Compensation provided to Mayor and Council is outlined in Appendix “A” – Compensation Provided to Mayor and Council of this Policy.
- 6.5 Council member expenses incurred shall be reimbursed as per Appendix “B” – Council Member Expenses / Reimbursements, and upon submission and approval of a claim form.
- 6.6 Professional development will be provided to Council members as outlined in the Town of Blackfalds Policy Elected Officials Development Opportunities.
- 6.7 Honorarium and eligible per diem claims as outlined in Appendix C will be submitted on the applicable form and submitted to the Mayor for approval no later than the Wednesday that occurs in the week before the last Friday of the month unless an earlier submission date is requested
- 6.8 The Mayor shall be responsible for approving individual Councillor expense claim forms, and the Deputy Mayor will be responsible for approving the Mayor’s expense forms.
- 6.9 A ~~pooled~~ per diem system is established with an annual allocation of \$129,000 for the Mayor and ~~\$6,5004,000~~ for each Councillor for a total of ~~\$33,00051,000~~. ~~This pooled system will allow for the option that if a Council member exceeds their allotment that a request could be made for additional funding to the Mayor or, in the case of the Mayor to the Deputy Mayor.~~
- 6.10 In an election year an additional \$14,000 shall be allocated to a separate pooled budget for mandatory Council Orientation training and training offered through the Elected Officials Education Program. Any unspent funds can be carried forward into the next calendar year to complete any orientation or education programs related to Council’s overall orientation.
- 6.110 Annual attendance at the Federation of Canadian Municipalities Conference (FCM) for the Mayor and two Council members or all members of Council when the conference is being held within the Province will be expensed to a separate general ledger account specifically for FCM and not from the pool per diem general ledger account.
- 6.10 If a Committee or Task Force is established, the Terms of Reference – Council Remuneration Review attached as Appendix “D” will be used.

COUNCIL REMUNERATION AND COMPENSATION

POLICY NO	CP-189.25
DIVISION DEPARTMENT	Council/Administration
REVIEW PERIOD	Every 4 Years or Upon Legislative Change

1. POLICY PURPOSE

- 1.1 The *Municipal Government Act* allows for compensation to be made to members of Council for duties performed. It is the intention of the Town of Blackfalds to provide fair and equitable compensation to members of Council as they carry out their responsibilities. This Policy provides guidelines for the provision of remuneration to elected officials.

2. POLICY STATEMENT

- 2.1 In recognition of the value and contributions of the Town of Blackfalds Council, the Mayor and Councillors will receive fair and equitable compensation with standards that reflect the roles and responsibilities of elected officials of the Town. To achieve this, the following principles will be applied:
- Compensation will be fair and reasonable and will attract a diverse and representative pool of candidates from Blackfalds residents wishing to seek election for Council.
 - Recognition that the work of the Mayor and Council is demanding and important, and as such, they should be appropriately compensated.
 - Recognition of the complexity, responsibilities, time commitments and accountabilities associated with the role of Mayor and Council.
 - Demonstrates fiscal responsibility and aligns with the Town of Blackfalds Strategic Plan.

3. DEFINITIONS

- 3.1 **“Administrative Procedure”** means specific written processes that support a policy. Procedures that are created, amended or made obsolete require the approval of the CAO.
- 3.2 **“CAO”** means the individual appointed by Council to the position of Chief Administrative Officer.
- 3.3 **“Council”** means all elected officials of the Town of Blackfalds, including the Mayor.
- 3.4 **“Town”** means the municipality of the Town of Blackfalds.

4. SCOPE

4.1 This Policy applies to Council for the Town of Blackfalds.

5. AUTHORITY AND RESPONSIBILITIES

5.1 Council to:

5.1.1 Adopt and support this Policy by resolution.

5.1.2 Consider the allocation of resources for the successful implementation of this Policy in the annual budget process.

5.2 Chief Administrative Officer to:

5.2.1 Advise Council on the development, implementation, and amendment of this Policy.

5.2.2 Ensure Policy review occurs and verify the implementation of this Policy.

5.2.3 Establish any Administrative Procedures required for carrying out this Policy.

6. POLICY

6.1. A review of the Council Remuneration and Compensation will be conducted on a four-year cycle completed in the year of a Municipal General Election. A dollar amount per capita modifier will be used and derived by the 75% percent median from the analysis of comparator municipalities that align with the Town of Blackfalds within a +/- 10 percent median of compensation. Council will determine the appropriate manner in which to conduct a Council Remuneration and Compensation Review using one or more of the following strategies:

- Administrative review
- Third party review
- Volunteer Committee of Residents or Task Force Review (Combination of Volunteers with the assistance of external consultants)

6.2 A compensation adjustment of 2% will be brought forward to the budget in 2027, 2028 and 2029. Adjustments will be effective on the first pay period in the New Year unless otherwise directed by Council.

6.3 Health Benefits provided under the Municipality's current benefit provider are offered as an option for Council members to participate. Coverage is similar to that provided to the organization, with the exclusion of short and long-term disability.

- 6.4 Compensation provided to Mayor and Council is outlined in Appendix “A” – Compensation Provided to Mayor and Council of this Policy.
- 6.5 Council member expenses incurred shall be reimbursed as per Appendix “B” – Council Member Expenses / Reimbursements, and upon submission and approval of a claim form.
- 6.6 Professional development will be provided to Council members as outlined in the Town of Blackfalds Policy Elected Officials Development Opportunities.
- 6.7 Honorarium and eligible per diem claims as outlined in Appendix C will be submitted on the applicable form and submitted to the Mayor for approval no later than the Wednesday that occurs in the week before the last Friday of the month unless an earlier submission date is requested
- 6.8 The Mayor shall be responsible for approving individual Councillor expense claim forms, and the Deputy Mayor will be responsible for approving the Mayor’s expense forms.
- 6.9 A per diem system is established with an annual allocation of \$12,000 for the Mayor and \$6,500 for each Councillor for a total of \$51,000.
- 6.10 In an election year an additional \$14,000 shall be allocated to a separate pooled budget for mandatory Council Orientation training and training offered through the Elected Officials Education Program. Any unspent funds can be carried forward into the next calendar year to complete any orientation or education programs related to Council’s overall orientation.
- 6.11 Annual attendance at the Federation of Canadian Municipalities Conference (FCM) for the Mayor and two Council members or all members of Council when the conference is being held within the Province will be expensed to a separate general ledger account specifically for FCM and not from the pool per diem general ledger account.
- 6.12 If a Committee or Task Force is established, the Terms of Reference – Council Remuneration Review attached as Appendix “D” will be used.

MEETING DATE: October 13, 2026

PREPARED BY: Danielle Nealon, Senior Legislative Advisor

PRESENTED BY: Danielle Nealon, Senior Legislative Advisor

SUBJECT: **Member-at-Large Resignations**

BACKGROUND

On August 4, 2026, the Blackfalds Public Library Board passed a motion accepting the resignations of Starr Sinclair and Peter Gomes from the Blackfalds Public Library Board, effective immediately.

Administration subsequently received resignations from Heather Johnson from the FCSS Board, effective immediately, and Glenda Brown from the FCSS Board, effective December 31, 2026.

The resignations create vacancies that require Council's formal acceptance to facilitate the appointment of new members through the Town's annual board and committee recruitment process.

DISCUSSION

The resignations of Starr Sinclair and Peter Gomes result in two immediate vacancies on the Blackfalds Public Library Board. The resignation of Heather Johnson creates an immediate vacancy on the FCSS Board, while Glenda Brown will continue to serve on the FCSS Board until December 31, 2026.

Council's acceptance of the resignations will formally establish these vacancies and enable Administration to include the positions in the Town's annual board and committee recruitment process.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

The acceptance of the Member-at-Large resignation aligns with the Strategic Plan by supporting strong governance, continuity, and thoughtful planning. It ensures ongoing progress across strategic priorities by enabling the effective redistribution of responsibilities while maintaining stability. This transition also provides an opportunity to consider future membership needs and reinforces a consistent, transparent approach to recruitment through established processes.

FINANCIAL IMPLICATIONS

None

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

The resignations will be acknowledged, and letters of recognition will be provided on behalf of Council to thank the members for their service. The resulting vacancies will be filled through the Town's annual board and committee recruitment process, ensuring a fair, transparent, and consistent approach to appointments.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion:

1. That Council accept the resignations of Peter Gomes and Starr Sinclair from the Blackfalds Public Library Board, effective immediately; Heather Johnson from the FCSS Board, effective immediately; and Glenda Brown from the FCSS Board, effective December 31, 2026, with regret and direct Administration to include the resulting vacancies in the Town's annual board and committee recruitment process.

SUBJECT: **Receipt of Blackfalds Public Library Board Bylaw**

BACKGROUND

Section 37(1) of the *Libraries Act* requires that when a municipal library board passes a bylaw under Section 36, a copy of the bylaw must be forwarded to the council of the municipality. The Blackfalds Public Library Board passed a bylaw under this Section and gave it third reading on August 4, 2026. The Bylaw has now been transmitted to Council for acceptance, information and receipt.

DISCUSSION

Pursuant to Section 37(1) of the *Libraries Act*, the Blackfalds Public Library Board has forwarded its bylaw, which received third reading on August 4, 2026, to Council for consideration.

The Bylaw establishes regulations governing library operations, including borrower eligibility, membership requirements, fees and fines, borrower responsibilities, room rental provisions, standards of conduct within the library, and the protection of personal information and privacy.

Administration has reviewed the Bylaw and found it consistent with the requirements of the *Libraries Act* and recommends that Council accept the Bylaw as presented.

STRATEGIC PLAN ALIGNMENT / OTHER MASTER PLAN ALIGNMENT

**Economic Vitality and
Community Prosperity**

**Community Life,
Safety, and Inclusion**

**Leadership,
Engagement and
Advocacy**

**Sustainable Services
and Infrastructure**

The acceptance of the Blackfalds Public Library Board Bylaw supports Council's strategic pillars of Community Life, Safety and Inclusion, Leadership, Engagement and Advocacy, and Sustainable Services and Infrastructure by providing a governance framework that supports the effective, accessible, and consistent delivery of public library services to the community.

FINANCIAL IMPLICATIONS

None

COMMUNICATION / ENGAGEMENT CONSIDERATIONS

The Blackfalds Public Library Board considered and approved the bylaw, and it is being presented to Council in accordance with the *Libraries Act*. No additional communication or engagement is required.

ADMINISTRATIVE RECOMMENDATION

That Council consider the following motion:

1. That Council accept the Blackfalds Public Library Board Bylaw, as passed by the Blackfalds Public Library Board on August 4, 2026, in accordance with the *Libraries Act*.

ALTERNATIVES

- a) That Council refer the Blackfalds Public Library Board Bylaw back to Administration for more information.
- b) That Council disallow the Bylaw passed by the Blackfalds Public Library Board on August 4, 2026.

ATTACHMENTS
